

## Horseback Riding

Horseback Riding is offered, along with our other activities, each session throughout the summer for three days at a time. There is an **additional cost of \$45.00** per three days. Campers in grades 4<sup>th</sup> and older by this coming fall are eligible to participate. Campers are transported to a camp a mile up the road from us, where their instructors will teach basic riding skills in Western Riding- riding in the ring and along wooded trails. This activity has proven to be great fun for campers and is a wonderful addition to camp's other activities.

If you would like your child to experience horseback riding, or if your camper LOVES horses, give this a try! Space is limited so complete the form below and send in to the camp office to reserve a spot!

### **Yes! Please sign me up for Horseback Riding!**

(PLEASE- make sure your camper wants to ride – if they sign up they will be required to go)
