

BOYS 8-16 VOLUME 66-1 DIRECTOR: MARIE SCHMID JANUARY, 1990 GIRLS 8-16

Over and over parents of Foley campers comment on the special warmth generated at Camp Foley by campers and staff. The friendships and loyalty to Foley illustrate the uniqueness of our camp family. We are forever grateful to those of you who continue to help us promote Foley to other interested families.

Our traveling through the winter months allows us to visit with families about Camp Foley. We are always looking for families who would be willing to host a meeting for us. Meetings can be as small as sharing the evening with one other interested family. A small effort on your part can give another child an exciting camping experience.

Join us, past campers and staff, and new camp families for an afternoon or evening of fun and memories. There will be drawings, refreshments and the camp video with scenes from last summer's activities - including a bike show.

# AWARDS AWARDS AWARDS

The Gold Paddle Award is the highest honor that a camper can earn at Camp Foley. In order to receive this award, campers must master skills in a minimum of 11 activity areas. Only 14 Gold Paddles have been awarded since it began in 1968. During Third Session, J.J. Monge earned this award for exemplifying sportsmanship, positive attitude, and leadership during his 7 years as a camper. He has achieved awards in boardsailing, riflery, tennis, canoe and waterskiing. Last summer J.J. received his Skippers in sailing, Advanced Lifesaving and participated in the Camper Leadership Program. Way to go on a fantastic summer, J.J.!!

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well-mannered, respectful and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both campers and staff. The 1989 Anchor Awards were presented to the following campers.

1ST SESSION - Libby Whitaker and Joel Benton  
2ND SESSION - Ursula Husby and Pat Fitzsimmons  
3RD SESSION - Ann Zeckser and Mike Callahan

We would like to recognize the following campers who, through hard work and goal-setting, have achieved some of the highest activity awards at Camp Foley:

ARCHERY: Silver Bow Archer - Fielder Mattox, Tony Rocheford

BOARDSAILING: Force Four - Fielder Mattox  
Daggerboard - Eduardo Bichara, Mike Goldberg,  
Tyler Kipp, Steve Lukasewycz, Ryan Murphy

CANOEING: Advanced Canoeing - Mike Goldberg, Juan Ortiz

DIVING: Flying Eagle - Lucy Durbin, Lisa Ehling

FENCING: Competitive Foil - Dave Baeth, Romain Bray, Andy  
Bussman, Matt Williams

SKIING: Expert - Mike Goldberg, Herbie Richardson

RIFLERY: Expert - Ricardo Moreno

SWIMMING: Advanced Lifesaving - Aaron Cherveney, Tami Dotson,  
Ursula Husby, Michelle Karnowski, J.J. Monge, Chris  
Pashler, Ann Zeckser

SAILING: Skipper - Mollie Juelich, J.J. Monge

CONGRATULATIONS TO EVERY CAMPER WHO WORKED FOR AND RECEIVED AN AWARD  
THIS SUMMER!!

# What's Happening In 1990?

This is only a small part of what will be new or happening in '90. Beginning in January the Foley Bugle or Newsletter will continue to inform you of the special offerings for 1990. Be sure to read some of the more detailed articles describing the listings below.

At a glance -

**N  
E  
W**

- The popular game of sand volleyball comes to Foley. A new court is being constructed in place of the old badminton courts. Lots of fun ideas are being planned to utilize our new court.
- A new 1988 X-boat will replace the Windsong.
- Two new boardsails
- A new ski boat and motor will be purchased this spring. The old brown rig with the 90 h.p. motor has been sold.
- A new girl's bathroom. the old West Washo has been leveled! All our girls will enjoy the spacious bathroom and updated facility.
- The name of the Iroquois Tribe has been changed to the Chippewa Tribe. Both of our tribal groups, the Chippewa and Sioux, will then be named after Minnesota Indians.

**THEME DAYS** are planned to add fun, creativity and a little extra to camper's camping experience. Check the calendar for the scheduled activities on various sessions.

"Big Camper, Little Camper" - Campers from the Sioux Tribe (ages 13-16) will be paired up with campers from the Chippewa Tribe (ages 6-12) for a fun day they will share as duo. Events may include being meal-time partners, a scavenger hunt, making friendship bracelets, going to free swim together or participating in a variety of activities during the day.

"Summer Halloween" and Dance - Bring or make at camp a Halloween costume for this festive dance. A costume contest, haunted house, writing spooky stories and bobbing for apples are a few of the events that may happen.

"Burbs, Hicks, and Slicks" - Cabinmates will play both city and country games like kick the can, roller skating, stick ball, hide and seek, hay rides and water or mud fights. Old, grubby clothes that can get stained are a must for this day. Bring your roller skates.

"Bizzare Record Breaking" - By rotating through different stations, campers attempt to make Foley history by setting new records in events like fish catching, free throws, watermelon seed spitting, long jumping, the longest stare....the events are numerous.

"Backwards Day" - A day where everything runs backwards - clothes, meals routines, and many more surprises.

"Environmental Awareness Day" - The special focus of the day is towards the environment. Campers will learn by playing fun awareness games, watching videos, creating a project or participating in a field trip.

"International Day" - Campers will experience the culture of other countries by participating in games, crafts, music, and learning foreign languages.

**DANCES** - Three dances are scheduled to provide a fun evening complete with dance music, costumes, contests and refreshments.

Halloween Dance - Make at camp or bring a costume of your choice. (Remember, summer evenings are usually hot, so dress appropriately.)

Barn Dance - Pull out your farm clothes and practice your loudest "YEEHAAAAW" for this dance! Costumes can include overalls, blue jeans, straw hats and red bandanas.

Jamaican Jam - Floral shirts, florescent shorts, cool shades and all types of beachwear are appropriate at this dance.

**THE PJ EXTRAVAGANZA** is an extraordinary event exclusively for the Chippewa Tribe...Be prepared for fun! (Hint: Bring pajamas suitable for a mixed crowd and be ready for a feast!)

**LATE NIGHT ADVENTURE** is back by popular demand! Members of the Sioux Tribe will eat pizza, play board games, watch videos and socialize with friends until the early A.M. hours.

## CAMPER LEADERSHIP PROGRAM

The 1990 Developing Leaders program is already off to a fantastic start with 8 CLP's and 11 dishwashers accepted into the program. The two programs are designed to offer our older campers the challenge of a working experience, while still enjoying the fun and friendship of camp life. We would like to congratulate the following campers who have made their final commitment to the Camper Leadership Program:

June 19-July 18: Mike Goldberg, Tony Rocheford

July 5-Aug. 15: Tyler Kipp, Andy Mullen

July 19-Aug. 15: Eve Brcekemeier, Amy Elsen, Katy Lenmark, Marc McPeak

As of date, here is our 1990 dishwashing crew:

1st Session: Sarah Hawken, Pat O'Keefe

2nd Session: Andy Dotson, Sarah Hawken, Jane Holtzermann, Gretchen Kattke, Hannah Lewis, Liz Waters

3rd Session: Andy Dotson, Adam Giganti, Brian Kaveney, Margo Malischke, Maryann Tracy.

Aaron Cherveney, Tami Dotson, Margaret Enis and J.J. Monge have all begun the process of applying to be next year's Assistant Counselors.

There are still a limited number of positions open in both the CLP and Dishwashing Programs during the first half of the summer. If you also have an interest in participating, contact the camp office.

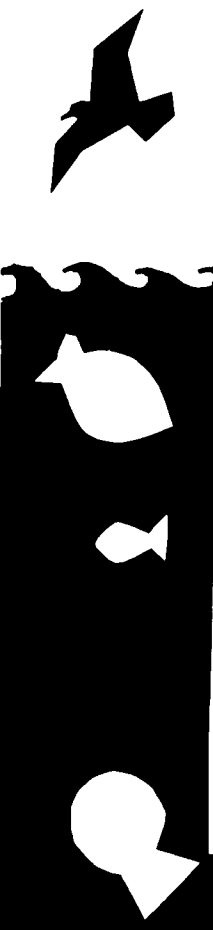

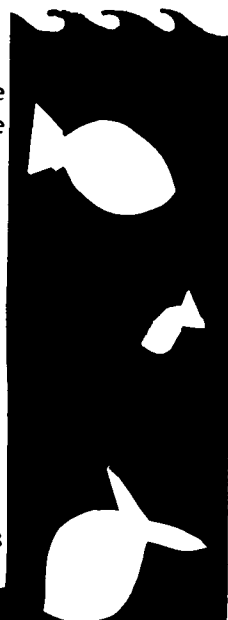

## SWIM TEST NEWS

Every camper that has been to Foley in the past is familiar with the memorable swim test on the first day of arrival at camp. The swimming program is not only tradition, but a way to promote a valuable lifetime skill and maintain safety on the waterfront. Because campers typically spend at least half of their day at camp on or near the lake, testing gives us the security of knowing if they have the strength and composure to handle themselves in an emergency situation. Providing swimming instruction has two other benefits; it enhances the child's ability and helps improve their coordination.

For those reasons, we test campers to either pass them out of swimming lessons or place them in the appropriate class according to their skill level. We are currently in the process of restructuring the testing procedure which will allow us to be more efficient in establishing the abilities of our campers.

In order for a camper to test out of swim lessons, they must possess Red Cross intermediate swimming skills. The swim test will include a five minute treading water to evaluate endurance and a stroke check. There are five strokes that will be tested; the front crawl, elementary backstroke, sidestroke, breaststroke and back crawl. In order for a camper to pass out of swim lessons, they must complete the five-minute tread and be able to demonstrate complete proficiency in three out of the five strokes. Campers must also show adequate ability in the other two strokes.

Starting next summer, all campers who have been to Foley in the past and have passed the intermediate skills test will not be required to take the swim test again. Everyone else who has not completed that level of swimming at Camp Foley, both new and returning campers, will be tested. Notes from swim coaches and copies of certifications from other aquatic facilities will be taken into advisement in evaluating camper's swimming abilities. We encourage parents and campers to send {copies of awarded certifications to the camp office before the camper arrives. This prevents the originals from getting lost or damaged.

# Summer Survey Results

We would like to thank everyone who completed a survey at the beginning of last year's camping season. The information gathered helps us evaluate our services to our camp families. Out of 255 forms mailed, 101 were returned to us. Here are some of the results of the survey:

1. Camp families chose a particular session for their child because:
  - 32% Timing fits into summer plans
  - 26% Friends attend same session
  - 24% Length of stay
  - 15% Same session as last year
  
2. Families first heard about Camp Foley from:
  - 31% Parent's friends/neighbors
  - 24% School friends
  - 20% Family member(s) are Foley or Wabigoniss alumni
  - 15% Relatives
  
3. The most important factor why families chose Foley was:
 

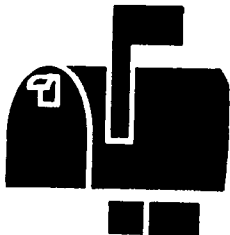

59% Activities/programs offered	6% Safety
29% Friends	6% Living experience
12% Location	6% Size of camp
  
4. Factors that were most helpful in selecting Camp Foley were:
  - 37% The recommendation of another family
  - 17% Personal contact with Director or administrative staff
  - 16% Camp Brochure
  - 15% Promotional Video
  
5. Concerning mailings, camp families felt:
  - 89% The amount of mailings were adequate
  - 9% Would like more
  - 2% Would like fewer mailings

It was exciting to actually verify the importance of friends, relatives or neighbors in the survey results listed above. Since the majority of our camp families heard about Foley from someone they knew, why not spread the word? Take a minute and ask "Do I know another child who would benefit from a camping experience at Foley?" Allow another child to feel the warm, caring environment that your family has come to know over the course of your association with Foley. Give the gift of a lifetime - fun, friends, learning and memories. When we say YOU ARE OUR BEST PROMOTER, we sincerely mean it.

# Celebrating 65 years was fun for all !

On a chilly August 5, campers, parents, friends, and alumnae celebrated 65 years of camp history. It was a day that fulfilled a wish of Thomas Braig ('52-'58). He wanted to honor Bob and Vi Schmid with a plaque commemorating their their dedication and the gratitude of former campers and staff. The plaque was made possible through the generosity of Tom Braig and the following people: Jay Blanke, Rev. Frank Bognanno, Charles Burn, Richard Charrier, Michael Crowe, Harold Isbell, Bob McCormick, Tim Moffet, Fr. Tim Power, Rev. Frank Reid, Robert Schueth, James Stessman, and John Traxler.

Another fun event was the burial of a time capsule to be opened on camp's 100th anniversary. A large container was filled with camp memorabilia: 65th anniversary shirt and mug, 1989 coins, the daily newspaper, camper guide, application form, camp video, photographs of cabin groups, painted shirts, poetry by campers and staff, Hobbie cat rudder complete with autographs, decorated pillow case, cards written by our campers describing camp in 2024, and much more. It definately will be exciting to open this container of history!

## Scholarship Program Successful !

Last summer, through the generosity of many giving individuals, we had the opportunity of providing camping experiences to some children whose families were not able to afford the entire camping fee. Our campership recipients truly enjoyed their camping experience. They established friendships, developed new skills socially and in their activities, and became part of our camp family. These children felt secure and happy in Foley's environment. A tremendous thank you to all of you who brought happiness to these campers. We are sure that you helped to make a difference in their lives.

Tax deductible gifts from alumnae and friends can be deposited in a special account through the American Camping Association. Your check, payable to ACA Camper Scholarship Program and designated for use at Camp Foley can be sent directly to us and we will forward it onto ACA.

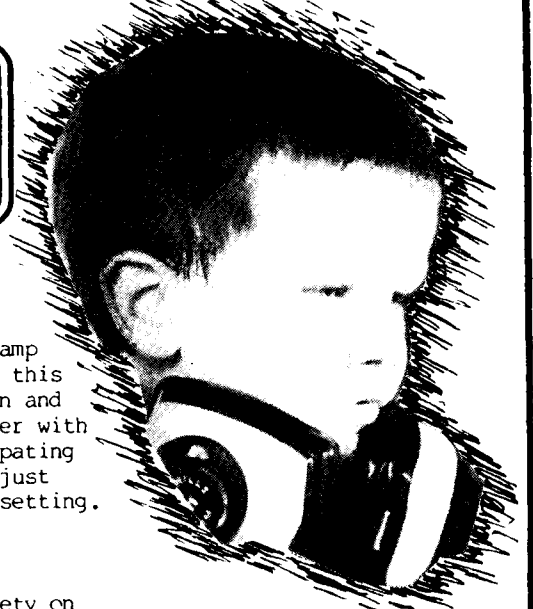

Help us continue this special scholarship fund. Send your tax deductible donations to: Camp Foley, 160 Windsor Court, New Brighton, MN 55112.

**LAKE SUPERIOR SAIL TRIP**

Once again, two Lake Superior Sail Trips are planned to cast off during Second and Third Sessions for a 4-day excursion through the Apostle Islands. The cost will be between \$250-\$300 for boat charter, food and transportation - this amount does not include regular tuition and personal expenses. Any camper, 13 years of age or older, who has had some sailing experience and an interest in this unique adventure, please contact us!

**B.W.C.A. CANOE TRIP SECOND SESSION**

Second Session will see the return of the traditional B.W.C.A. and Canada's Quetico Provincial Park 7 day canoe trip for our campers 13 and over. It is a once in a lifetime opportunity to be part of something so special. It's an opportunity to develop or strengthen friendships that can last a lifetime. Nothing can quite equal it. The lifestyle is relaxed, serene, yet challenging and invigorating. Opportunities for new experiences abound. A canoe camping trip is something you'll be talking about for the rest of your life! Cost will be estimated at \$200.00 above the regular tuition. Please contact the office for more information or for confirmation.

## **Don't Delay...Register Today**

Enrollments are at a Foley record high for this time of year. Don't delay with your summer plans. Foley is indeed the choice of many campers and their families. Don't miss the fabulous memories of fun, friends and new experiences

### *Are You having Scheduling Conflicts With Our Normal Scheduling Dates?*

Session IA June 19 - July 2  
 Session IC June 26 - July 2

Session IB June 19 - June 25  
 Session II July 5 - July 25

Session III July 26 - August 15

Give Marie Schmid a call and perhaps something can be worked out. For example, would a one week session from July 26 to August 1 work into your summer plans? We can make special arrangements for you!

## **Be A Foley Dishwasher**

If you are 15 or 16 years old and are coming to camp 1st or 3rd sessions, you could be a Foley dishwasher. Foley dishwashers are enthusiastic campers looking for a work experience with other young adults while enjoying camp. Campers who do dishes once per day work off \$50.00 per week of their camp tuition. Give us a call for more details!

## **Be A CLP**

If you are 16 or 17 years old and want a varied work experience in addition to increasing personal skills within activities, this is for you. Experience is gained working with groups of children, helping on a rotational basis in the camp kitchen and dining room, and being a positive role model. It is a four week commitment. from June 19 - July 18.

## **A New Face In The Office**

Camp Foley welcomes Mary Rhatigan to the ranks as our new administrative assistant. Mary is a graduate of the University of Minnesota with a degree in Physical Education. During her college years, Mary spent her summers working at various camps both residential and day camps. These included Arrowhead Music Camp, Duluth YWCA's Camp Wanakiwin for girls and Camp Butwin, a day camp for the St. Paul Jewish Community Center. She has taught activities ranging from trumpet lessons to western horseback riding and boating. Besides her camp experience, she has worked with children in other respects including coaching Special Olympics and leading group activities and games. Mary's interests outside of work include working with stained glass, counted cross stitch, playing guitar, taking walks with her husband and dog, camping (both winter and summer) cross country skiing, and biking.

## Wedding Bells

Did you know that Peter Kronschnabel has been coming to camp as a camper and staff member since 1967? Can you imagine the stories that Peter can tell of his experiences or that others can tell about Peter?

Here is at least one true story about Peter. On February 9th Peter Kronschnabel and Kym Anderson were married at Holy Spirit Church in St. Paul. It was a lovely wedding with a reception following at Town and Country. During the ceremony some of Peter's mannerisms reminded both Jeff and Marie simultaneously of the numerous campfires that he participated in at Foley. Peter will always be Peter! Our congratulations and wishes of happiness to both of them! Kym has consented to Peter's return to Foley in 1990.

Why not send Peter and Kym a note of congratulations. Their address is: 4603 1/2 Penkwe Way, Eagan, MN 55112.

## The One And Only...Third Session Cabin Matoaka!

On December 15 chain letters began circulating among cabin groups. A letter was written to each group directing campers to write a short note on the pages provided and mail to the next person on the list. At the end of the alphabetical list, the camper is instructed to mail it to the Camp Foley office. We would copy all the letters and mail a copy to each person in the cabin.

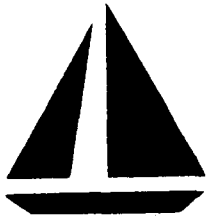

The girls from Third Session in Cabin Matoaka did a fabulous job. On January 28th the letter arrived into our office.

Congratulations to Courtney Gates, Amy Goellner, Liz Kilo, Rachel Linstroth, Jamie Melicher, Libby Mooney, Libby Pottle, and Menka Sethi! Foley will give these campers a free canteen during the summer of 1990!

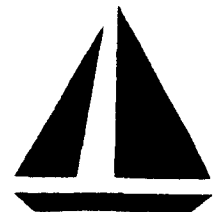

## Lake Superior Sail Trip

Once again, two Lake Superior Sail Trips are planned to cast off during Second and Third Sessions for a 4-day excursion through the Apostle Islands. The cost will be between \$250 - \$300 for boat charter, food and transportation. This amount does not include regular tuition and personal expenses. Any camper, 13 years of age or older, who has some sailing experience and an interest in this unique adventure, please contact us!

## B.W.C.A. Canoe Trip Second Session

Second Session will see the return of the traditional B.W.C.A. and Canada's Quetico Provincial Park 7-day canoe trip for our campers 13 and over. It is a once in a lifetime opportunity to be a part of something so special. It's an opportunity to develop or strengthen friendships that can last a lifetime. Nothing can quite equal it. The lifestyle is relaxed, serene, yet challenging and invigorating. Opportunities for new experiences abound. A canoe camping trip is something you'll be talking about for the rest of your life! Cost will be estimated at \$200.00 above the regular tuition. Please contact the office for more information or for confirmation.

## Why an Accredited Camp?

Camp is an experience that molds and shapes one's future, one's life potential. Yet, more than 9,000 day and resident camps in the U.S., and others abroad, might seem a formidable array from which to choose. In addition, camps differ in style and approach, in the programs and activities they offer, in their facilities, level of staffing, even the food they serve. Selecting the right camp, thus, is often a matter of asking the right questions.

When you select an ACA accredited camp, you have the assurance that many of these important questions have already been asked and answered in ways that go beyond a shadow of a doubt to show you that the management of that camp cares. They care because they have agreed to the best kind of quality control in camping; ACA's camp accreditation program.

Accreditation is essentially a process of peer review and self examination whereby camp owner/operators agree to uphold and live up to a stringent code of camping professionals as basic to quality camping.

This code, known as ACA's camp standards, consists of nearly 300 items of concern that can be applied to any camp operation, in effect becoming questions directed toward owner/operators about their camp operations. These standards are continuously updated and evaluated to reflect the current state of the art of quality camping. Although many State and Federal laws and regulations govern overall environmental conditions, ACA's standards go a step further in addressing specific areas of programming, personnel and management practices that relate specifically to camping activities such as aquatics and tripping.

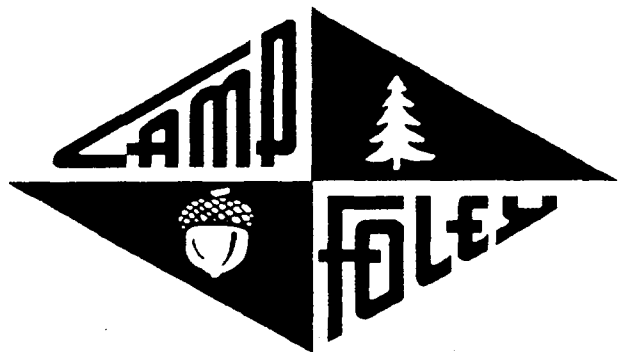

The quality difference with ACA's accreditation and standards program is that ACA is a voluntary organization of camping professionals who participate in these programs because they want to, who commit themselves among their colleagues, in word and deed, to quality camping.

Once every three years, a team of two or more trained camping professionals, known as visitors, visits and evaluates each camp to ensure that it complies with ACA's standards. The camp management, during the accreditation visit, must answer yes to 14 critical prerequisite standards in each category applicable to the camp, achieving an overall score of 80 percent.

The management of the camp seeking accreditation goes to considerable extent to earn this accreditation. Just as various trades and professionals display emblems showing they have met minimal requirements in order to practice in their field, the nation's day and resident camps have their mark of distinction, their benchmark of performance.

The ACA camp accreditation logo is your assurance that a camp is owned and operated by camp management committed to the highest standards established for the camping industry. In seeking accreditation, camp owner/operators make a statement about themselves and their camps that they are willing to have their operations scrutinized and reviewed by camping colleagues who know and value quality camping.

ACA Guide to Accredited Camps

Camp Foley is proud of its ACA accreditation. For years, Foley has maintained or exceeded their high standards set by the ACA.

### Why?

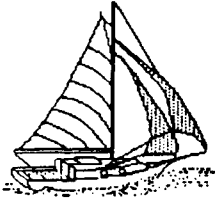

To show our parents and campers that we care and are concerned for each individual's safety and health. In addition, we want our campers and parents to feel that Foley's program will benefit each camper in a variety of ways. In two very simple words,

**"WE CARE"**

# Attention Attention Attention

## Doctors or Nurses

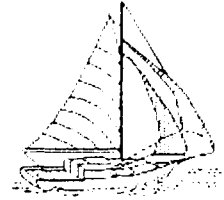

Who Happen to be:

Moms

or

Dads

### Grandparents

**Camp Foley is looking for an RN or MD who is licensed in Minnesota to be our camp nurse or doctor.**

- Live on camp grounds in the Health Center
- Enjoy participating in the various activities
- Relax along the shores of Whitefish Lake
- Children can attend camp and live in cabins with their peer group (younger children can participate in day camp or babysitting can be arranged)
- Grandparents can bring a grandchild

#### Responsibilities Include:

Routine health care at scheduled times  
Being on-call for emergencies  
Health education and hints for staff and campers

**Commitment of 2, 3, or 8 weeks preferred. Will consider 1 week stay.**

#### Dates:

June 18 - July 2

July 4- 25

July 25 - August 15

#### For more information contact:

Camp Foley is a private residential camp for boys and girls ages 8-16. It is located north of Brainerd, MN on 91 wooded acres along the shores of Whitefish Lake. Activities include: Sailing, Windsurfing, Waterskiing, Archery, Tennis, Fencing, Riflery and lots and lots of fun

**THEME DAYS** are planned to add fun, creativity and a little extra to camper's camping experience. Check the calendar for the scheduled activities on various sessions.

**"Big Camper, Little Camper"** - Campers from the Sioux Tribe (ages 13-16) will be paired up with campers from the Chippewa Tribe (ages 6-12) for a fun day they will share as duo. Events may include being meal-time partners, a scavenger hunt, making friendship bracelets, going to free swim together or participating in a variety of activities during the day.

**"Summer Halloween" and Dance** - Bring or make at camp a Halloween costume for this festive dance. A costume contest, haunted house, writing spooky stories and bobbing for apples are a few of the events that may happen.

**"Burbs, Hicks, and Slicks"** - Cabinmates will play both city and country games like kick the can, roller skating, stick ball, hide and seek, hay rides and water or mud fights. Old, grubby clothes that can get stained are a must for this day. Bring your roller skates.

**"Bizzare Record Breaking"** - By rotating through different stations, campers attempt to make Foley history by setting new records in events like fish catching, free throws, watermelon seed spitting, long jumping, the longest stare....the events are numerous.

**"Backwards Day"** - A day where everything runs backwards - clothes, meals routines, and many more surprises.

**"Environmental Awareness Day"** - The special focus of the day is towards the environment. Campers will learn by playing fun awareness games, watching videos, creating a project or participating in a field trip.

**"International Day"** - Campers will experience the culture of other countries by participating in games, crafts, music, and learning foreign languages.

**DANCES** - Three dances are scheduled to provide a fun evening complete with dance music, costumes, contests and refreshments.

**Halloween Dance** - Make at camp or bring a costume of your choice. (Remember, summer evenings are usually hot, so dress appropriately.)

**Barn Dance** - Pull out your farm clothes and practice your loudest "YEEHAAAAW" for this dance! Costumes can include overalls, blue jeans, straw hats and red bandanas.

**Jamaican Jam** - Floral shirts, florescent shorts, cool shades and all types of beachwear are appropriate at this dance.

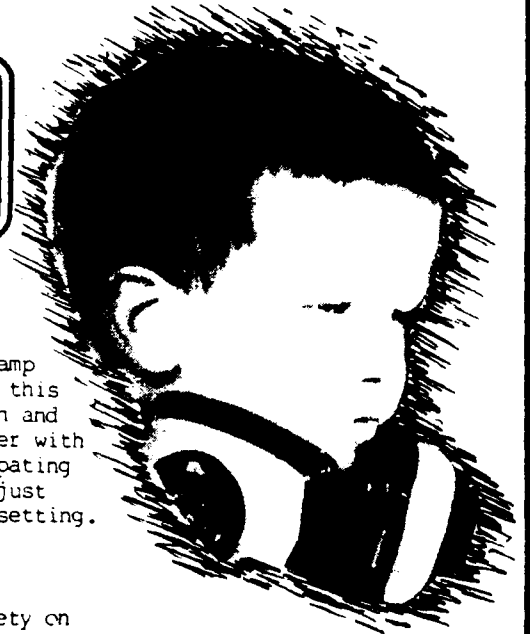

**THE PJ EXTRAVAGANZA** is an extraordinary event exclusively for the Chippewa Tribe...Be prepared for fun! (Hint: Bring pajamas suitable for a mixed crowd and be ready for a feast!)

**LATE NIGHT ADVENTURE** is back by popular demand! Members of the Sioux Tribe will eat pizza, play board games, watch videos and socialize with friends until the early A.M. hours.

# COME JOIN THE FUN

## FAMILY CAMP

Bring your family and join us at Camp Foley for one to seven days during this special week. Family Camp is a fun and wholesome way to spend time together with other family members while participating in the various camp activities or just relaxing in our beautiful natural setting.

Foley staff will supervise the safety on the rifle range and archery range. They will pull skiers, skipper sailboats, and provide activity instruction upon request. Additional charges will be made for ammunition used at the rifle range. The following activity equipment is not provided: lifejackets, tennis racquets and ball, fishing poles and tackle.

# - A Friend Is Someone Who...

The following quotations were taken from the 1989 boy's Third Session Friendship Campfire. The sayings were collected and typed by counselor Sean Fleming exactly as the boys wrote them.

To be a friend is to help them out in hard times and to do stuff with them. To be a friend is to be fun, work together and to help each other out.

To be a friend is to be funny and kind. To have a friend is to have someone to like you.

To be a friend is to do what they want even if it's not what you want.

To be a friend means to be kind, usually cooperative and to be there when they need you. To have a friend means to have a companion who is faithful to you.

Friends to me is something that you can't put into words. To have a friend is more special than anything that I can imagine. The most important things are to respect the needs of your friend. Another thing that is more important than that is to always be there for your friend. Although you cannot always be there in person it is important for me to offer my support in other ways. Maybe just an ear to talk to or a person to lean on, or maybe even a shoulder to cry on.

Being a friend is being able to be trusted and helping others. Being a friend is always being willing to go the extra mile to benefit others. Being a friend is always being there to support others when they need it. Being a friend is always caring about others feelings. Being a friend is being a friend. Having a friend is important. Having a friend is necessary to having a friendship. It's important because you can share things with them. Having a friend is great!

To be a friend means fun, laffter and games. To have a friend means fun, happiness, companionship and most of all frendship.

Being a friend means being nice to someone.  
Having a friend means sharing with someone.

To be a friend is to do what a friend wants to do, to have fun no matter what, to work through thick and thin and to party, always. To have a friend is to have someone to laugh at your jokes (even the dumb ones), someone to listen to you when your happy and to cry with you when you're down.

To have a friend is a great thing. It's a place to go and talk when you need to or just go to be someplace. To be a friend is cool because it shows that you have a reason to be on this planet and be with great people.

## **Fantastic Advantages of Session I**

Enthusiasm is always breaking record highs throughout First Session. Campers are active, happy, excited, and are truly enjoying themselves. They know a secret - First Session is terrific!

### **Why First Session?**

- \* Summer is beginning. Camp is a refreshing change after the demands of school. It can be a fantastic way to start a vacation. A positive experience can return a camper home with increased self esteem, new skills, new friends, new interests and lots more.
- \* Staff have just completed 10 days of orientation , gaining a wide variety of skills relating to their important role as a counselor. They are enthusiastic; energetic, and eager to work with our first group of campers.
- \* First Session campers receive an enthusiastic, warm welcome. Nothing compares to the natural excitement of a counselor's first cabin group.
- \* Be the first to ski behind the new rig or sail new X-boat.
- \* Enjoy using other new equipment for the first time or discovering the changes from last year.
- \* Because others have not discovered the wonders of First Session, there are fewer campers. This means more personal attention, less people in activities and a unique closeness of the total camp community.
- \* The biggest myth about first session is that many feel the water will be colder. Although we can't predict our weather, the last few years have been hot and beautiful and the water warm.

First Session is indeed special. We've spent nine months planning for its beginning and we are all enthused to have camp alive with campers and their activities. There is an unique June freshness in the air, water, buildings and grounds. The freshness continues in our staff and campers. Join this unique group and discover their secret.

Once a First Session camper, always a First Session camper!

As a member of the **CHIPPEWA TRIBE**, I promise to:

Believe in myself, "I can do it",  
Be a good friend,  
Participate to the best of my ability,  
Respect others and their property,  
And to have fun.

Camp Foley Chippewa Tribe Pledge

### **CHIPPEWA TRIBE INITIATION CEREMONY**

This ceremonious rite enables all campers ages 8-12 to formally join a very distinctive group of campers. It is a combination of getting acquainted, believing, trusting, completing the initiation course, discovering the "Chippewa Code" and the new tradition of leaving your mark on camp! The cryptic evening of 1989 has been expanded to include humor, fun and silliness for an entire day.

### **NEW KIDS ON THE BLOCK PARTY**

Trivia Question: What were New Kids on the Block called before they were New Kids on the Block? Find out this bit of fascinating information during the first ever Chippewa Tribe New Kids Trivia Contest! Deck out in the latest "New Kids" fashion wear! Watch the latest in New Kids videos! As a cabin group, lip sync to your favorite New Kids song! Dance to all the latest New Kid tunes! Participate in contests for best lip sync, top air band, finest dance or foremost New Kids trivia expert. Don't miss this "New" event for Chippewa "Kids"!

### **PJ EXTRAVAGANZA**

Do you own a pair of pajamas that are so bright they keep you up at night? Dust off your bunny slippers and bring them along to complete the ensemble. Then show off the latest in pajama style at the Camp Foley Chippewa Pajama Extravaganza Breakfast! Join the style show and talent contest. Have breakfast with our mystery guest! (To be announced at a later date).

### **ADVENTURE TRAIL**

Join an expedition over hill and dale, learning your way around camp while learning about camp and yourself! Travel from station to station and perform special tasks. Learn how to build a fire, complete with marshmallows to roast. Discover how a compass works and then traverse the compass course. Pet a snake and determine if they really are slimy. Hunt for an agate, and much more. All Chippewa Tribe members will receive an official Camp Foley Adventurer certificate for completing the course.

### **CAMP FOLEY OLYMPIC FESTIVAL**

In recognition of the Olympic Festival in Minneapolis this summer, Camp Foley is hosting a Festival de Olympiad featuring the extraordinary Chippewa Tribe! Cheer for the official Festival Torch as it is delivered by a special guest athlete. Join in the fun and enter individual events and cabin group competitions. Participate in races, games, and contests that could test your strength, coordination, speed, and group creativity. Warm up your running shoes and stretch out your swimsuit for this festive occasion!

**Be on the lookout for these and more fantastic events!**

As a member of the **SIOUX TRIBE**, I promise to:  
Believe that I am capable and important,  
Respect others as unique and special individuals,  
Belong to the group by cooperating and sharing with others,  
Help create a fun environment.

Camp Foley Sioux Tribe Pledge

### **Initiation Ceremony**

This ceremonial initiation rite enables all campers ages 13 to 16 to officially join a very unique group. It is a blend of becoming acquainted, trusting, performing silly tasks, discovering the "Sioux Secret", and the traditional face painting. This mysterious evening of 1989 has expanded to include humor and silliness for an entire day!

### **First Annual Bedmobile Race**

Are you ready to be crazy and totally embarrass yourself with your cabin? Each cabin group will be given a special bed to create a float. Creative materials will be available. Bed and rider will be carried by cabinmates in the Foley 500 (not to be confused with the Indianapolis 500). Entry is mandatory. Rules for this contest will be available at camp. What great cooperative fun!!

### **Battle of the Air Bands**

This is the chance of a lifetime to be a member of a famous band! Each cabin group will lip sync and dance to their favorite song. This "professional performance" will be judged by "well known entertainers". (Identities cannot be revealed in order to protect them from a media blitz). The Battle of the Air Bands will be a night to remember. Perhaps your group will win a Grammy Award for best costume, creativity, lip sync, originality, or most solid group!

### **Bump/Set/Spike....**

NEW at Camp Foley is a sand volleyball court. Tournaments and games will be set up between Sioux Tribe Members. Will a Sioux team be victorious in a game versus the Sioux Staff? Marie will give all the winners a free canteen. This will be fun for all. Get ready to cheer for your favorite team. Who knows, it could be the beginning of a Volleyball Festival and a traditional game!

### **The Late Night Adventure Revisited**

Do our campers want any changes? NO! By popular demand and numerous requests from campers, this event returns. Bring out the pizza! Down the pop! Put on the movies! Play some tunes! Join in the games and gab, gab, gab! As stated in the Pepsi commercial, "It's Radical!" What a "radical" way to spend a long evening until 2:00 AM with your camp friends. It progresses into a sleep-in the following morning. Totally Radical!

### **Crazy Regatta**

This popular Sioux event returns. Skipper and crew members must cooperatively accomplish many tasks never performed in official races. How fast can a skipper swim to his/her craft? Can a skipper and crew rescue a man overboard? How fast can a skipper trade boats? How loud can the crew sing? Can they successfully buoy their boat under crazy circumstances? What fun! All Sioux members are involved and no sailing experience is necessary to be a part of this fun event.

**Be on the lookout for these spectacular events plus many, many more!**

## Foley Is Known For Quality Staff

Throughout the years, Camp Foley has maintained a reputation for quality staff. This tradition of caring, talented and enthusiastic counselors has not been by accident. When we choose our staff, we are selecting adults who will be positive role models for young people. I personally have to be able to answer "yes" to the following question, "Would I trust this person with my own daughter in the camp environment?"

Did you know that before we hire a prospective staff member, they have:

- \*Completed an application.
- \*Had three reference forms completed by former employers or instructors which attests to their character.
- \*Completed a standardized personal interview.
- \*Been assessed on their communication skills, personality, self-image, interpersonal skills, values, maturity and intellect.
- \*Been found to have the initial knowledge, experience and abilities to instruct at least two activities taught at camp.

Did you know that when a staff member signs a contract, he or she signs a commitment to the values and philosophy of Camp Foley? For example a staff member will:

- \*Treat children as individuals by promoting self-esteem and self-reliance.
- \*Be caring, enthusiastic and creative.
- \*Put the camper before themselves.
- \*Always consider the safety and health of the campers.
- \*Be supportive of the religious philosophy of the camp.
- \*Discipline campers fairly and consistently using the guidelines established by Foley.
- \*Practice the tradition of conservative dress codes and a neat, clean-cut appearance.
- \*Prepare by taking courses in Lifeguard Training, CPR, First Aid and other activity related areas.
- \*Collect materials such as stories, songs and games for the campers.

Did you know that each staff member completes an intensive training program at Camp Foley before the first campers arrive? This 10 or 11 day session is one of the longest training periods in comparison to other camps. Our staff:

- \*Actively rehearses all emergency procedures.
- \*Attend seminars on discipline, sexual abuse, age characteristics of campers, cabin living, health and safety, program planning, and the philosophy, goals and objectives of Camp Foley.
- \*Learn camp routines by actively participating in them as a camper would.
- \*Complete training seminars in at least two major activity areas.
- \*Receive written evaluations documenting their skills, ability to handle emergencies and strengths in working with campers.

Did you know that the supervisory staff, known as the Leadership Team, continuously evaluate and support each staff member through:

- \*Morning staff meetings.
- \*Weekly individual meetings.
- \*Personal evaluations of their instruction in activities and work in the cabin group.

Staff are very important in providing our campers with a positive camping experience. They are an important element to the success of a cabin group or an activity. With all of this in mind, I continuously promise to keep our high standards of selecting and training the best possible staff for our campers. We, as Foley Staff, will take care of you child.

## Meet Some of our 1990 Staff

**ANNE BLANKE** will be part of a long tradition of Foley counselors - her father, uncle and brother have all been staff in the past. Anne enjoys working with children and has been involved with autistic children in an inner-city school. While at camp, she will be instructing waterskiing, soccer and swimming and living with our 8-12 year old girls.

**CARI FEALY** is a freshman at UW LaCrosse who is concentrating her energy towards a Physical Therapy major. Cari's specialty is swimming. She has been participating competitively since she was nine. Cari will be instructing art, nature and swimming. She will be living with our Junior Campers for a week and then with our 8-9 year old girls.

**SEAN FLEMMING** will be returning to Foley for his third year on staff and will be directing the riflery program at camp. Besides studying for an education degree at the College of St. Thomas, Sean coordinates a youth ministry program in Minneapolis and instructs CCD classes at a junior high school. Sean's many experiences will make him an ideal counselor for our 11 and 12 year old boys.

**MOLLIE JUELICH's** energy and enthusiasm is a welcome addition to our staff. Mollie will work with the Junior Campers for a week then live with our 11 year old girls. She has been a part of Camp Foley since 1983 as a camper and worked as an Assistant Counselor last summer. Through hard work and determination, Mollie earned her "Skipper" award for sailing in 1989. She will put her excellent skills to work instructing sailing this summer.

**MELISSA MOORE** will be coming all the way from New Zealand to work as our Tennis Activity Head. She has been an elementary teacher in Auckland for two years where she has played an active role in the outdoor and physical education programs. Melissa is constantly challenging herself with a variety of athletics. We are looking forward to her enthusiasm in working with our girls ages 13-16.

**RANDAL HUNTINGTON** is back by popular demand. Randal will be coming from Australia to lead our Biking Program again. Randal is considered to be among the best BMX Freestyle cyclists and has won many competitions between Australia and the U.S. He believes that his success as an athlete is due to a drug-free philosophy, hard work and dedication. Many people are looking forward to having him back at Foley!

**SCOTT HUNTINGTON** is another member of the Huntington family joining the Foley staff. He will instruct all-terrain biking. Scott has been biking for 12 years and recently won a BMX biking competition in New Guinea. His positive outlook and experience with youth will be a welcome addition in working with our 10 and 11 year old boys.

**AARON CHERVENY** will be participating in the Assistant Counselor program after spending last summer as a CLP. Aaron uses his strong leadership skills and positive attitude by involving himself with extracurricular activities. Besides assisting sailing, boardsailing and biking, Aaron will be working with our 8-12 year olds.

**J.J. MONGE** is returning to Foley as an Assistant Counselor after spending seven years as a camper. J.J. will live with our 8-12 year olds and will help instruct sailing, boardsailing and riflery. During the school year, he referees youth hockey, coaches hockey and participates in a program which informs children what to do in an emergency.

## Camp Is For Making Friends

One of the most frequently asked questions from parents of prospective campers is “Will my child be okay if he/she isn’t coming to camp with a friend?”

**Yes!** Every session many campers do venture to Foley without a friend for many different reasons.

Sometimes a camper may elect to have an independent experience away from school and neighborhood friends or the parents may want a camper to branch out and meet new people. Other reasons may include a family tradition of going to Foley, attending with a sibling or a scheduling conflict with friends.

**Yes!** Campers do make friends!

How do we at Foley provide campers with opportunities to make friends?

- 1) Foley will assist parents in arranging for children to meet, write or call another camper by providing phone numbers and addresses.
- 2) Prior to opening day, careful attention is given to composing cabin groups. One important consideration is creating a blend of campers conducive to formulating new friends.
- 3) On the bus campers are introduced to others who are of similar age and many times to their cabinmates.
- 4) Cabin counselors personally welcome each camper upon arrival to camp and introduce them to their cabinmates. The first day is spent as a cabin unit getting acquainted and acclimated to camp life.
- 5) Each cabin participates in a variety of events actively involving the entire cabin.
- 6) Campers participate in an evening program stressing respect, acceptance and cooperation amongst all members of the group.
- 7) Many camp events foster friendship building including: camp banquets, friendship camp fire, autograph signing and dances.

As a young person between the age of 7 and 15, I experienced attending camp with and without a friend. My best experiences were when I independently ventured out and made long lasting “camp friends”. I have strong memories of my parents trusting me to fly alone and to attend camp without a friend. This created a lasting feeling of independence and self-reliance. These successful experiences left me knowing that I was a very capable person. Most importantly, I made new friends in a new environment. As Director of Camp Foley; I repeatedly hear the tales from Foley campers of making special camp friends. These range from simple, “Don’t worry Mom, I have a new friend,” to complex explanations on camp friends. Remember, there is a special unique bonding between friendships established and rekindled at camp.

.....

Session IB     June 19 - June 25  
Session II     July 5 - July 25

Give Marie Schmid a call and perhaps something can be worked out.  
For example, would a one week session from July 26 to August 1 work into your summer plans?  
We can make special arrangements for you!

### Be A Foley Dishwasher

Are you an enthusiastic camper looking for a work experience with other young adults while enjoying camp? Then, this is for you! If you are 15 or 16 years old and are coming to camp 1st or 3rd sessions, you could be a Foley dishwasher. Campers who do dishes once per day, work off \$50.00 per week of their camp tuition. Give us a call for more details!

### Are You CLP Material?

If you are 16 or 17 years old and want a varied work experience in addition to increasing personal skills within activities, this is for you. Experience is gained working with groups of children, helping in the camp kitchen and dining room on a rotational basis, plus being a positive role model. It is a four week commitment from June 19 to July 18. Call for more information.

### Lake Superior Sail Trip

Once again, a Lake Superior Sail Trip is planning to cast off for a four day excursion through the Apostle Islands. We still have plenty of room for campers, 13 years of age or older, who have some sailing experience and a taste for high adventure. The cost is between \$250-\$300 for the boat charter, food and transportation. This amount does not include regular tuition and personal expenses. Contact us for more information.

### Come Join The Fun At Family Camp!

Tuesday, June 12th through June 18th  
Bring your family and join us at camp for one to seven days during this special week. Family Camp is a fun and wholesome way to spend time together with other family members while participating in the various camp activities or just relaxing in our beautiful natural setting.

Participants sleep in clean cabins used in Foley's summer program. Each cabin can sleep approximately nine people; in some buildings, up to 18 people can be accommodated. Meals are served family style in our dining hall.

Foley's activities include: sailing, waterskiing, swimming, boardsailing, canoeing, tennis, archery, riflery, all-terrain biking, fishing, or relaxing in the sauna. Special evening programs, organized by Foley's staff include: campfires, group games, an evening boat ride to the Dairy Queen, and exploring Foley's 160 acre private wilderness reserve at Echo Lake.

The cost is \$35.00 per person/day. Contact us at our summer office for more information or an application. Don't miss out on this terrific experience!

### The Office is Moving

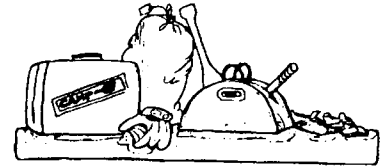

Effective May 7, 1990 we will officially be at the summer address. Please contact us at: HCR 77 Box 172, Pine River, MN 56474 (218) 543-6161

**RESERVATIONS AND TICKET PLACES:** Parents are responsible for making reservations and for paying one-way or round-trip airfare for their child. Schedules are subject to change by the airlines. Below are some suggested flights. You may choose another flight arriving on Tuesday June 19, or Thursdays July 5 and July 26 before 10:30 a.m. and departing Minneapolis on Monday July 2 and Wednesdays July 25 and August 15 between 2:00 p.m. and 5:00 p.m. Return tickets will be collected.

**SUPERVISION:** Camp Foley representatives will meet all planes at arrival gates and will escort campers to their departing flights. Overnight accommodations in the Twin Cities will be made if necessary.

**BAGGAGE:** Please send all duffel bags with campers. Be sure to use the Camp Foley luggage tags on everything carried on and checked.

## Earth Day 1990

In recognition of Earth Day 1990, Camp Foley announces Environmental Awareness Day. Our goal is to show our campers how to protect and restore the environment and to facilitate a deep commitment to caring for the Earth.

Camp Foley celebrates Earth Day everyday and has for many years. We have implemented practices at camp that campers and visitors may or may not realize are happening.

Listed below are activities that Camp Foley does and you can do as a family to promote environmental awareness at home. This list doesn't begin to exhaust the possibilities; use it as a creative jumping-off point and come up with your own ways to make a positive impact on your world.

1. Recycle brass, tin cans, cardboard, and paper.
2. Both sides of a piece of paper are used before it is placed in the recycling bin.
3. Take short showers.
4. Turn off lights when not in use.
5. Use biodegradable soap.
6. Use spray bottles instead of aerosol cans.
7. Instead of using pesticides, build bat houses and let the bats act as a natural means of eliminating mosquitoes.
8. Purchase pop in glass bottles instead of cans.
9. Don't use plastic silverware.
10. Eliminate the use of styrofoam plates and cups.
11. Write to fast food establishments and urge them to use paper wrappings.
12. Find creative ways to re-use plastic containers: Make boat bailers, lake buoys or bird feeders.

## Meet More of our 1990 Staff

**MARIA BARTLETT** will be instructing tennis and all-terrain biking at Foley this year. As a freshman at the University of Colorado, she plans on pursuing a physical therapy major. Her cheerful and optimistic attitude will be a wonderful asset in working with our 13 to 15 year old girls.

**AMY FESER** will be living with our older, girl campers this year and will be teaching tennis, diving and snorkeling. Amy enjoys camping and has camped in Montana and Wyoming several times. Her outdoor skills will definitely come in handy for the cabin overnights! She is currently a freshman at the University of Iowa, where she would like to study education.

**ANNE JAEGER** said one reason she would like to work at a summer camp is because of her love for the outdoors. Her environmental studies at St. Mary's College in Minnesota will be an asset in our nature program. Anne will also be instructing soccer, archery, art and living with our younger campers.

**DAVE OSBORNE** claims some of his true loves are biking, backpacking and skiing. We hope he will share stories of his travels through Western Europe with us. Dave will be teaching sailing, boardsailing and biking. He will be living with our 13 and 14 year old boys.

**KELLEY MERRICK** is looking forward to being a counselor after hearing numerous stories from her younger sisters, who have attended camp for five years. Her experience as a volunteer swimming instructor will certainly benefit the Swim Dock. In addition to working with our 13 and 14 year olds, she will be instructing waterskiing, soccer and canoeing. She is a junior at the University of Wisconsin, LaCrosse.

**BOB PETERSON** will bring both talent and enthusiasm to our tennis program as the Tennis Activity Head. In May, Bob will be graduating from St. Mary's College where he was captain of the tennis team this year. He has also been a tennis instructor for the City of St. Paul Parks and Recreation Department. Bob will be living with our older boys.

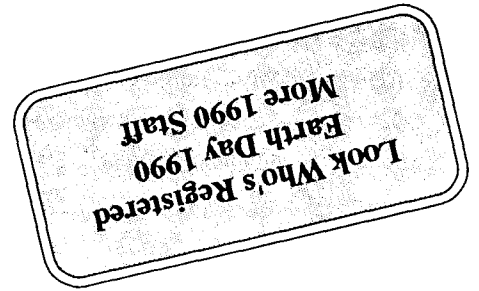

**MART-ENN RAMMO** - Camp Foley is honored to host one of the first camp counselors from the Soviet Union. Mart-Enn is one of over 50 highly talented young adults to travel to the U.S. this summer. He will be instructing fencing and riflery, and will be living with our older boys. Welcome Mart-Enn!!

**MICHELLE WOOD's** enthusiasm and bubbly personality will be a welcome return to the Camp Foley staff. As a second-year counselor, she will be the Art Activity Head, instruct canoeing and snorkeling, and will live with the younger campers. Currently, Michelle is a sophomore at the University of Notre Dame.

**TAMI DOTSON** will be coming back for her tenth year at Foley. After participating in the CLP program last year, Tami was accepted as a 1990 Assistant Counselor. She will help instruct-boardsailing, art, archery and will be assisting in the younger girl's cabins.

**MARGARET ENIS** will also be returning for the new challenge of being an Assistant Counselor. Margaret has a love for art and has won many awards in school and district art competitions. She will help instruct art and tennis this year and will be working with our younger campers.

## Letter from the Director

1990 has been an exciting year at camp and in our household. Jeff Beltz, my husband, and I are directing camp as my parents did before me. Balancing camp and our family life is always an adventure. If you have been puzzled in the past with the Schmid/Beltz last names, you're not alone. The different last names do create some interesting situations and conversational pieces. Now everyone wants to know the last name of our baby, due in January!

In addition to our work and commitment to Foley, we manage to squeeze in some other interests, or as our daughter, Alli, states it, "responsibilities".

To our eight year old, attending 3rd grade at Mounds Park Academy and taking piano lessons creates "responsibilities" such as homework and practice. She enjoys both, so perhaps "responsibilities" aren't all that bad. She likes to be active and looks forward to snow skiing, ice skating, and basketball this winter.

Jeff continues his interest in reptiles. His personal collection, which summers in the Nature Center at camp and winters in our home, includes wood turtles, a snapping turtle, a milk snake, hognose snakes, fox snakes, and geckos. He is a member of the Minnesota

Herpetological Society. Jeff is also active in the American Camping Association as a Standards Instructor and Visitor. He enjoys racquetball and telemark skiing in the winter months.

I keep active by doing some volunteer teaching at our church. I am active as a board member and Standards Instructor and Visitor for the American Camping Association. This fall, I had a new challenge in heading an Environmental Task Force for the ACA. I also enjoy racquetball and telemark skiing during the winter months. I'm sure the baby will put some limitations on these activities!

Time certainly flies by. Before we know it, our 1991 campers will be arriving. Our commitment to camp keeps us extremely busy year-round, but is rewarded each summer by the happiness and enthusiasm that each camper brings to our lives.

# Scholarship Program

For the past two summers, through the generosity of many giving individuals, we had the opportunity to provide camping experiences for five children whose families were not able to afford the entire camping fee. Our campership recipients truly enjoyed their camping experience. They established friendships, developed new skills socially and in their activities, and became part of our camp family. These children felt secure and happy in Foley's environment. A tremendous thank you to all of you who brought happiness to these campers. We are sure that you helped to make a difference in their lives.

Camp Foley will permanently remember our giving individuals on a yearly plaque. This plaque will be placed on our new bell stand in the center of camp.

# Summer 1990

## Rifle Matches

Camp Foley continues to participate in the legendary boy's 4-way rifle match against Camps Lincoln, Thunderbird, and Mishawaka. In the 1990 season, Foley's senior team took 3rd place, while the junior team took 1st, giving us an overall 2nd place. It is interesting to note that 4 of the 10 shooters are related: Chris Ramey, Mark and Tim Cecil, and Andy Bussman. Other shooters included: Roberto Bonilla, Andy Dotson, Marc Mcpeak, Matt Monge, Mark Iwaskewycz, and Chris Robinson. Congratulations to our sharpshooters!

## Program Growth

1990 was a historical year at Foley as record enrollment was reached. Camp is now operating at 140 campers with an even split of boys and girls. Did you know that our Junior Campers, ages 6 and 7, doubled from 1989-1990? The vast majority of our campers continue to come from the metro areas of St. Paul and Minneapolis. There are still strong groups from the surrounding areas of St. Louis and Chicago. It is exciting to have campers from across the United States.

One of Foley's goals in the past few years is to increase a global awareness in our camp community. Last year, we had staff and campers from 6 foreign countries: Mexico, Spain, France, England, Australia, and Estonia. To help create a global awareness, flags from the various countries hang in the dining hall and programs are conducted highlighting the customs of the countries represented by our campers and staff.

Each week in May, Foley is host to 80-100 5th and 6th graders who are participants in the Environmental Education program. In addition to this program, the camp also hosts retreats for

area churches in the spring, late summer, and fall.

Our growth, in part, depends on you, our alumni, to help spread the word of Foley. If you know of a family that may be interested in camp, please contact the camp office.

## Motor Overboard

Imagine cruising on Whitefish Lake under wind power and feeling the warmth of the day grow as the sun nears its zenith. The campers are fed and sit contently on the deck of your ship. With little time left, you drop the sail and start up the engine to head back to camp. To turn around, you rev up the motor and push the handle to one side. Suddenly, the motor is no longer in your hand, but is spiraling down toward the bottom of the lake!

Sound like a dream turned into a nightmare? Well, it actually happened to one of our staff this summer. He was the skipper of our Tanzer 22 with a group of boys aboard. Luckily, the skipper and counselor noted their location on the lake before sailing back to camp.

A search party of about 10 excited staff members was organized to snorkel in search of the elusive motor. Within a half hour, Michelle Rossmiller spotted the motor in 10 to 15 feet of water. A rope was attached and the motor was raised.

The motor was checked by a local repair shop and pronounced fit for duty. Since this incident occurred in the last week of camp, the motor has yet to be run. Our hopes are high that the motor will once again take our campers out on the lake for many more adventures, while it wears a safety cable to prevent further adventures of its own!

# Trivia Contest

How much do you know about Foley's history? Try answering these questions and send your answers to the camp office by January 31, 1991. The best scores will be announced in the February Newsletter. The individual with the top score will receive a Camp Foley t-shirt!

1. What year was camp founded?
2. Who was founder of camp?
3. Which country was the founder originally from?
4. Camp's founder was president of what college?
5. Who was the second director of camp?
6. What year did the ownership of camp change hands?
7. Who built the chapel?
8. When was the chapel finished?
9. When did the first girls come to Foley?
10. What two names was camp known as before it became Camp Foley?
11. What was the name of camp's first C-scow?
12. In what year did the girls first use the new washroom facility?
13. What was Kildare used for before it became a cabin?
14. What ever happened to the cabins Waupakuta and Locosippi?
15. What two athletic areas were removed to build tennis courts?
16. Where was the riflery range located before being moved to its present location?
17. How did mail and supplies arrive into camp in the early years?
18. What is the caliber of guns used at camp?
19. Where did the people in camp clean up before plumbing was installed?
20. In what decade did camp see the most growth in number of buildings?

BONUS: The following question has puzzled us. Do you know? We will accept the best answer to become part of camp's lore if the true answer can not be found.
