

# CAMP FOLEY

**“May peace be your gift at Christmas or Hanukkah and your blessing throughout the year!”**

Camp is a never ending, adventuresome ride on a sled! It is the thrill, the unknown, the laughter, the fresh air, the giggles, the sense of accomplishment and sometimes the hard work to meet one's goals! Campers like snowflakes arrive with their own individuality, personality and uniqueness. They create our camp family or community where kids and counselors play, share experiences, and have a remarkable experience. When the snow melts or camp ends, the memories are cherished forever. It was camp...

With peace in our hearts may we all have a wonderful 2003!

## Foley Through the Years

Make Your Summer Sizzle!

# Foley Through the Years

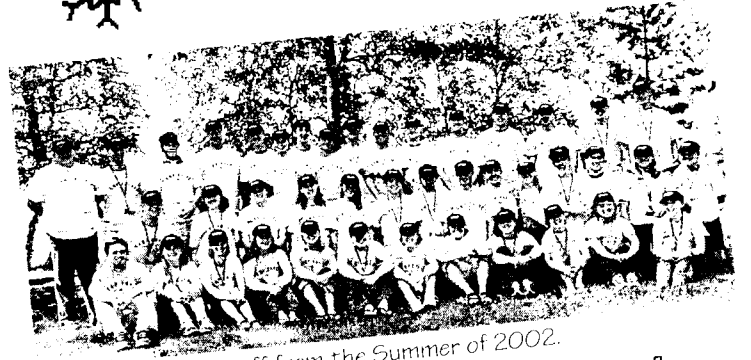

Pick up your bow. Nock an arrow. Fire when ready.

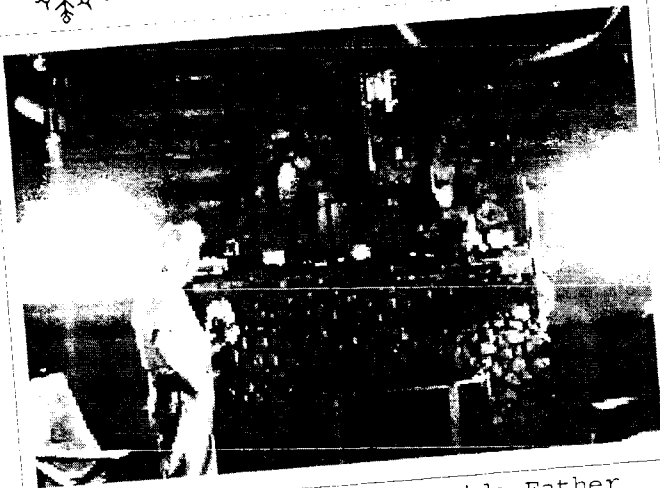

Archery is as popular today as it was in the 1960's.

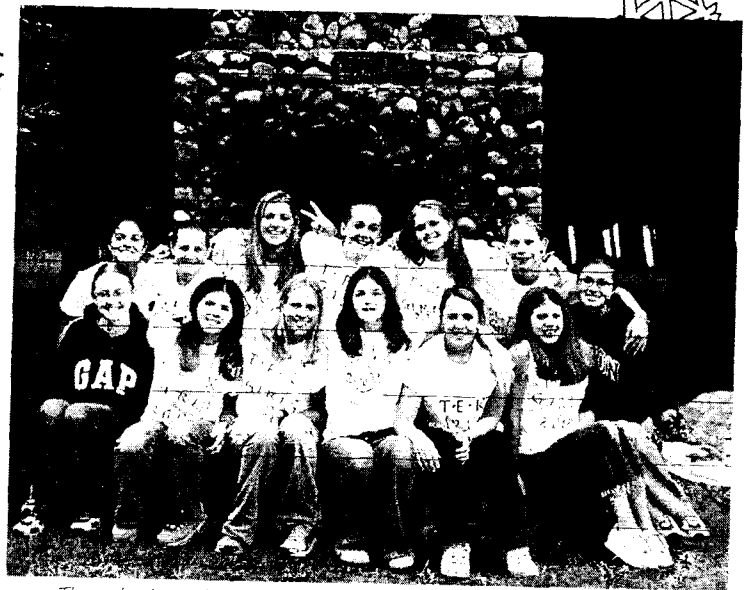

Staff from the late 1940's.

Staff from the Summer of 2002.

The fireplace stood inside Father Foley's cabin in the 1930's.

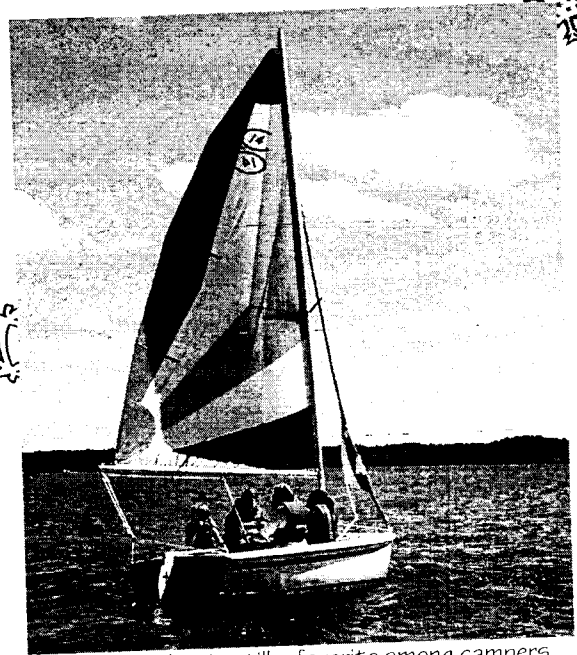

Though the cabin is gone today, campers gather around the fireplace during a campfire.

# Foley Through the Years

Camper's in the 1960's enjoyed the sailing program.

Today, sailing is still a favorite among campers.

Look at these MicMac and other campers from the 50's!

Wow how things have changed! MicMac is now a girls cabin!

Boxing was an activity choice in the 40's, 50's and 60's.

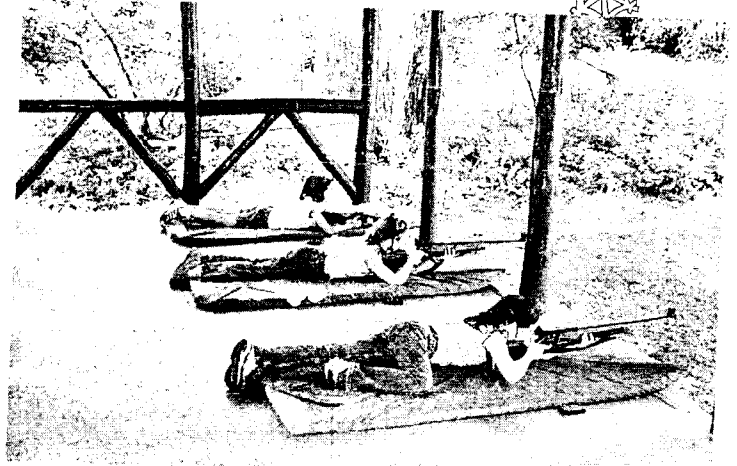

Today, campers are introduced to Martial Arts.

# Foley Through the Years

Riflery has remained a popular activity over the years. Careful aim in the 50's...

...and today!

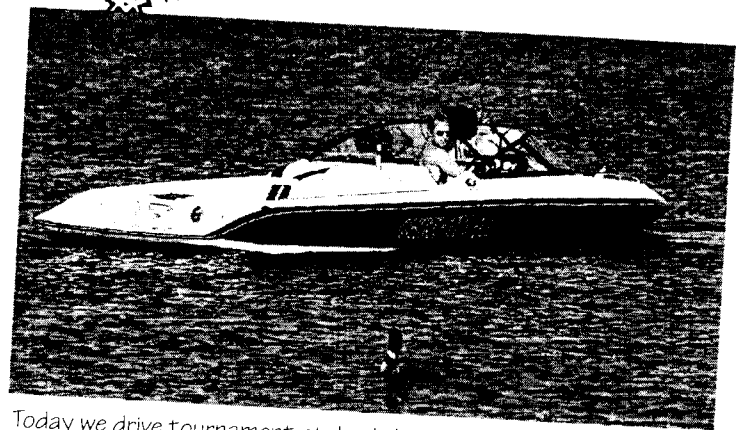

In the 1960's camper's participated in "Umgowa Days" and dressed in costume.

Campers and staff still dress in costume.

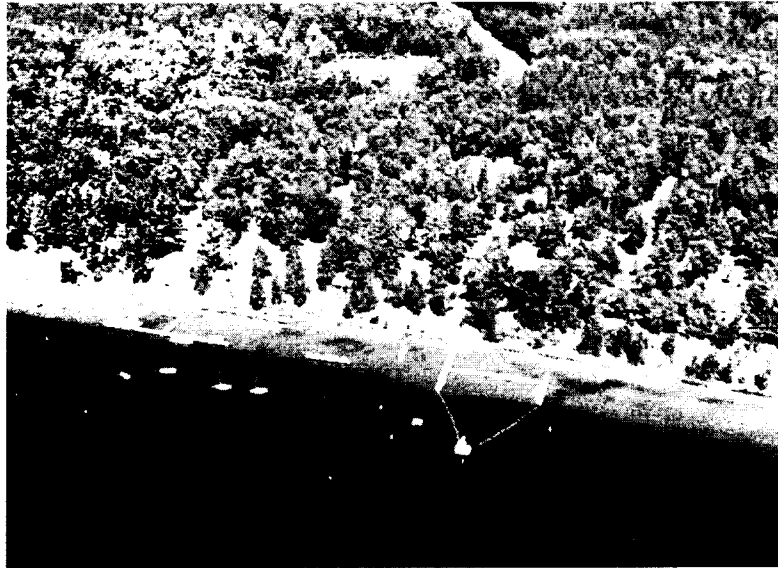

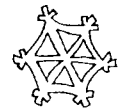

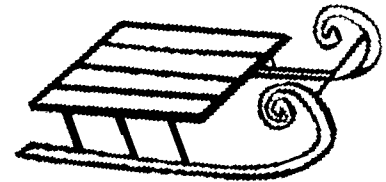

Check out those cool trunks and fast boat from the '60's.

Today we drive tournament style ski boats and teach skiing and wakeboarding!

# Program Items for 2003

## 2003 CITs

**Opening for 1 Boy, June 18-July 15 and  
Openings for 1 Girl and 1 Boy, July 16-  
August 12**

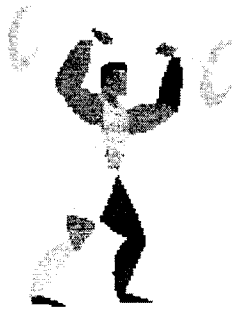

We want to extend a big welcome to our first 8 CITs for the summer of 2003! These past campers are ready to have a totally new and fun experience at camp. They will be preparing this winter to help teach activities and to assist counselors of younger campers. They are ready to take on more of a leadership role at camp this summer. We welcome the following 2003 CITs: **Ben Baumer, Genevieve Broche, Mike Combs, Caroline Duncan, Emily Johnson, Kathy McCadden, Kristen Mitchell, and Will Urion.**

## Camper Leadership Program

There are still openings for 15-year old campers who are looking for more leadership development opportunities in the camp community. It is a great way to develop more leadership skills in a supportive environment. Learn from some of the best teachers you could ever have. Use this experience to prepare for the CIT program and/or any future work environment you may wish to pursue. These campers are our first CLPs to join us in 2003: **Hanna Hicks, Amanda Jensen, TJ Langdon, Jessica Schoch, Jackie Shydowski, Leslie Strobel, and Charlie Sullivan.** If you are interested, complete the yellow Camper Leadership Form mailed to you or contact camp.

## New Weight Training Activity!

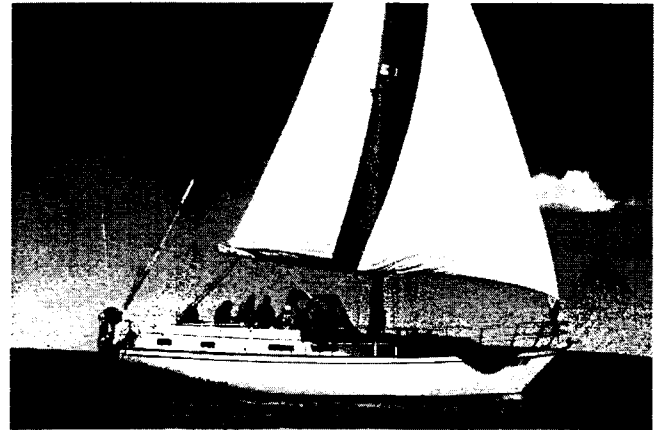

Wolf campers can sign up for a new Weight Training, Conditioning, and Running activity this summer! Learn the basics of a successful weight lifting program, including exercises, equipment safety, and nutrition. Create your own workout schedule and routine, train and condition with your friends, and have fun doing it! Join us at this activity in 2003!

## Lake Superior Sail Trip!

This summer Foley boys will have the opportunity to sail around the beautiful Apostle Islands of Lake Superior on the *Flyaway*, a 38.5' Pearson with Captain John Crabb. Share in the sailing and cooking of meals on board this craft and explore the many islands. Spend your nights on board and have the experience of a lifetime. This opportunity is available only to five campers who are 12 years or older. The cost of this trip is \$510.00 and the dates are July 21<sup>st</sup> - July 25<sup>th</sup>. This is during the two week session, July 16-July 29 or the four week session July 16<sup>th</sup> - August 12<sup>th</sup>. It is a wonderful experience.

Interested? If you are registered, have your parent send an additional \$100.00 deposit for the trip. This deposit guarantees you a spot on the boat! If you are not registered, register today by sending your application and deposit of \$400.00. If you have any questions, please do not hesitate to contact us.

## Dishwashers

**Openings June 18 – July 15**

Calling all campers fourteen years and older! We want you to join our dishwashing team! Limited space is available. Where else can you play all day, hang out with your friends, and gain the experience of working? Work off a portion of your camp tuition by washing dishes once each day. Most importantly if you are a reliable and hardworking dishwasher, it benefits your CIT application or future employment. You can use Foley as a reference on future job applications too. It is not all work either – the end of the session **Dairy Queen** is very popular. If you are interested, contact the camp office. The following campers are part of this team: **Gaby Driessen, Jackie Shydowski, Krista Strobel, and Leslie Strobel..**

## Used Computers Needed!

Our Foley parents have many positive things to say about the letters they receive from our counselors describing their children's camping experience. Our counselors are taking a great deal of time to write these important letters, but would like more computers available for use when the "crunch" is upon them.

Can you donate a PC or laptop running Windows 95 or better and having a functional disc drive?

We will arrange pick up in the St. Paul & Minneapolis area or will reimburse for shipping from other areas and states.

For more information, contact Camp Foley at 218-543-6161 or [fun@campfoley.com](mailto:fun@campfoley.com)

## Thank You

A special thank you to all of our alumni who are supporting Camp Foley by telling others about Foley, giving of their time and talents, and/or donating to our scholarship program. It is also the support of prayer, encouraging words, and fond memories that helps us to know that we are making a difference in the lives of young people! Thank you!

## Alumni Alert!

Please help us with updating and collecting accurate information about our campers and staff for our alumni database. Encourage past alumni to go to our web site and use the update form or complete the form in this newsletter if they would like to receive future mailings from us.

A new alumni page is in the making on our web site. We will be adding information that you email us - weddings, graduations, new jobs and pictures of those future Foley campers.

# 2002 Scholarship Donors

The 2002 Scholarship Donations exceeded our goal of \$6500.00! Our grand total for 2002 was \$6706.07 (including direct scholarship donations and donations via remaining canteen balances and cancellations)! Camp Foley would like to extend a huge **THANK YOU** to everyone who supports this program through contributions. You are AWESOME!! A total of 14 campers (6 were repeat campers) benefited from these donations and came from both inner city and rural settings. Some of these campers are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. Every one of our scholarship campers had a great time at camp- they made new friends and were able to try many new FUN activities! Thank you all for making a difference in the lives of Camp Foley's scholarship campers!

## New goal for our 2003 Scholarship Program

### Make your Tax Deductible Donation before December 31, 2002

Our goal for Summer 2003 is to raise \$7,000.00, a slight increase over 2002 donations (scholarship dollars plus canteen balance to scholarship program), to support 16 campers to come to camp (8 for the 2 week sessions and 8 for the Introduction to Camping session) on scholarships in Summer 2003! Foley is committed to increasing the number of spaces we offer. So far, we have \$83.63 in the account (a bit behind last year at this time!) With the downturn in the economy, there is an even greater need for programs like this to help fund a camping experience for a well deserving child.

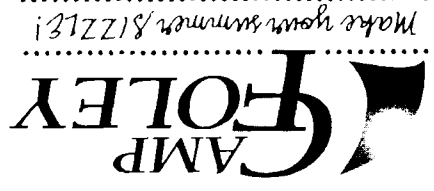

Foley works with past scholarship campers to expand their camping experience for a subsequent year and gives them first option at returning for a second, third, or more, year. Foley is committed, as are you, to providing positive camping experiences that aid to build an individual's self-esteem and skills, and build relationships with persons who serve as positive role models in both peers and adults. **Please send your tax deductible donation to Camp Foley using the enclosed envelope. Checks can be made to the "American Camping Association" and designated for the Camp Foley Scholarship Program.** Thank you, in advance, for your continued support of this valuable program.

CAMP gives kids a world of good.

## Fun and Friends at Foley!

### A Special Place

There's a place in the woods of Minnesota,  
None like it can be found.

They say miracles can happen there,  
So that's where I am bound.

You can shoot a bow and arrow.

Take a dip in the lake.

Take a hike or ride a bike.

There are things that you can make.

Sail a boat.

Hear a loon.

Make a friend.

You'll have the kind of day

You'll wish will never, never end.

There is hope,

There is joy,

And wonder too.

They give you a chance

To see what you can do.

Add the love and understanding

And a smile upon the face.

For without a chance to fail,

Foley is your kind of place.

## Let's Go Camping!

Pack a bag - throw in your pajamas, flashlight, and a book. Grab your sleeping bag. Take a hike. Laugh. Giggle. Sing. Play. Where are you? On a girls' sleepover at Foley! 8-10 year-old girls go on an overnight camping trip with their whole cabin group to one of our campsites right at camp. 11 and 12-year-olds can choose from a variety of camping trips to go on! There are tents to sleep in, and even a Tipi at one campsite! It's only a short walk to get there, and then the fun begins! Cook your own hot dog over the campfire, roast marshmallows or make rice krispie treats, and hang out with your cabin mates and counselors! Sing songs and play games, then it's off to your tent to tell fun stories, play cards, make friendship bracelets, and more! In the morning you pack up and head back to camp, arriving in time for breakfast!

## Dear Foley

Dear Foley,

What do we do all day at camp? Do I get to pick the activities I want to take? Can I choose different activities to do?

Sincerely,  
Curious Carrie

Dear Carrie,

What do we do at camp all day? The answer is simple: Have FUN! Our days are filled with lots of fun and games, as well as activities. Yes, campers get to make their own activity schedule. You will choose 5 activities for a 3-day schedule, and after 3 days you can choose all new activities or keep some of the same to continue working on your skills. There are tons of activities to choose from: Waterskiing, Sailing, Climbing, Tennis, and Crafts are just a few examples! In the evenings, there are special programs planned for your cabin group, such as sleepovers, games with other cabins, or even a popcorn party!

Excited for Summer,

Your Foley Friends

Dear Foley,

I am coming without a friend. Will I make new friends when I get to camp?

From,  
Wondering Wanda

Dear Wanda,

Yes! You will make lots of new friends at camp! Some campers do come to camp with friends from home, but many new campers come without knowing anyone. This does not last long! When you get to camp, you will meet your counselors, cabin mates, and other campers. You will meet kids from all over the world. Kids come to camp to have fun and make friends.

Excited for Summer,

Your Foley Friends

# The Place to be in 2003

## Stellar Shop

Do you enjoy playing games like Checkers, Chess, and Tic Tac Toe? Make your own games to play with your cabinmates this summer. Other shop projects include a mouse trap car, bird feeders, and towel or clothes holders. We will also be bringing back Foley's famous Derby Car Races! Campers will have the opportunity to make their own car to race at the end of the session.

## Cool Crafts

Show your creativity at Crafts this summer! Make a flower pot character by turning an ordinary flower pot into an animal or other creature. Design your own wooden calendar, have fun with beads, and create a mosaic masterpiece. Each session campers will have the chance to make their very own scrapbook at Crafts, so don't forget to bring your camera to camp to capture all of your memories!

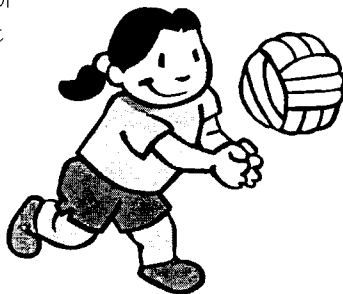

## Fine Arts

Campers can try their hand at designing the cover for the 2003 Memory Book and Camper Guide! Congratulations to **Joan Niesen** and **Thomas Mealey**, whose covers were selected for 2002! We will also be displaying campers' framed watercolor artwork in our camp office. We will be creating another quilt to add to our dining hall in Art this summer. Plans are in the making for a large camp project like our Tennis backboards from last summer – they look great! Where else can we add our artistic touch in the camp community?!

## All American Sports Day

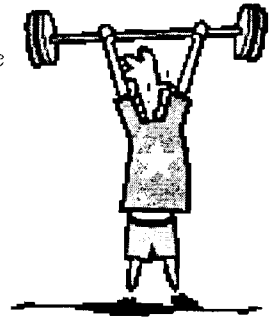

Baseball, Football, Basketball – play some of America's favorite games at Foley this summer. Spend the day participating in both team and individual events. Try your hand at ping pong, challenge someone to a dual at fencing, test your tetherball skills...

join your team in a kickball or floor hockey match against another team. Bring your patriotic clothes – red, white and blue – and be ready for a day of sports, games, and fun! Enjoy hot dogs, watermelon, popcorn, ice cream, and cotton candy!

## Weight Training & Conditioning Activity

Wolf campers will have the opportunity to sign up for this new activity choice this summer. Girls and boys will have their own weight rooms on each end of camp, and campers will sign up for this activity as part of their schedule. Learn the basics of a successful weight lifting program or continue what you are already doing. You'll learn exercises, equipment safety, and more! Create your own workout schedule and routine, train and condition with your friends, and have fun doing it! Join us for this new Wolf activity this summer!

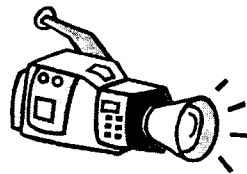

## Foley's Funniest Videos & Tricky Pictures

Foley campers will become photographers this summer! Cabin groups will work together to create the most hilarious, side-splitting videos possible! What crazy stunts will your cabin come up with? What props will you use? Plan, create, and practice before

the final shoot! Then head up to the loft to watch everyone's videos!

Next, campers will stage a clever picture to fool other campers, staff, and even mom and dad! You will learn how to create some pictures like Bucket Buddies, Headless Campers, and Oops, I Shrunk My Friends. **Bring your camera** and come prepared to experience a photo shoot unlike any other!

## Foley Gladiators

They are feared as athletes, worshiped for their intellect, and apparently unstoppable. This summer, the Gladiators come to Foley, testing the intelligence, speed, and strength of all the Wolf campers. Will you take on the gladiators in Breakthrough & Conquer, Joust, Powerball, or the Maze? Prepare yourself for competition and fun as you challenge the staff Gladiators to a multitude of events.

## Zany Funn!

Giggle! Laugh! Pull! Tug! Think! Squirm! Run! Yell! Down! Up! Left! Right! WOW! Work with your teammates to solve puzzles, conquer Big Foot, follow secret orders, and build with Legos?! Race amoebas, attempt mind teasers,

and find out what we will be doing with whip cream and raw eggs! It is messy, crazy, and zany funn for all Coyotes!

# Harry Potter Revisited

## June 19 – July 2 Session Only!

In celebration of the release of the fifth Harry Potter book this summer, **Harry Potter and the Order of the Phoenix**, camp is planning to bring back the spirit of the '01 banquet and the fun of Quidditch! Bring your wizard costume and accessories! Join the "Read In" at camp once the books arrive! Visit [www.Amazon.com](http://www.Amazon.com) and have your parents pre-order your copy of the book. It can be delivered to you right at camp! Discover the energy and spirit of Quidditch and eat dinner in the Great Hall of Hogwarts! Join us for this magical day at Foley!

# Closing Themes & Banquets

## Comic Super Heroes... June 18-July 1 & July 16-July 29

Crash! Bang! Pow! It's a bird, it's a plane, it's Foley's Super Heroes!

Join your team for a game of "Super Ball," a game that combines elements from all your Foley favorites like Quidditch, Bash Ball, and Capture the Flag. Super powers will be challenged in a Good vs. Evil dual. Test your physical and mental super powers when you are challenged to show your strength, coordination, and imagination.

A costume is a must! (Weapon type props are to be left at home). Every good super hero has a cape! Throw in a utility belt, gloves, boots or knee socks, and arm bands, and you're set! Be creative – puffy paint and face paint can be a big help - and join us for a day full of fun!

Come as your favorite comic book super hero, or create your own! Will you be Superman, Spiderman, or Captain America? What about Wonder Woman, Electra, or Cat Woman? Check out [www.marvel.com](http://www.marvel.com), [www.dccomics.com](http://www.dccomics.com), or [www.buycostumes.com](http://www.buycostumes.com) for costume suggestions!

## Wild West... July 2-July 15 & July 30-August 12

Fun and mischief are in store for this event! Start off by dousing your counselor as you test your aim at the dunk tank! Race other campers in a stage coach race! Have you ever heard of a "greased pig?" What other wild west adventures will take place?

Grab some props and join your cabin for an old-fashioned western picture. Music, sheriffs, outlaws, food, jails, and Foley's Wild West come to life! See how far you can get in the watermelon seed-spitting contest or how much you can eat at the pie-eating contest! Show off your dancing skills at a line dance or square dance! Jump on your "horse" and compete in the barrel race at the "Broomstick Rodeo."

A costume is a must! (Weapon type props are to be left at home). So grab your cowboy hat, boots, and bandana, and join us for a Wild time!

# Take a Trip

Bike! Canoe! Hike! Take a three-day trip to a state park or nearby river and explore the northwoods of Minnesota! Foley's tripping program focuses on minimum impact camping as well as basic survival and outdoor living skills. Campers, age 11 and older, are encouraged to take two trips out of camp during their years at Foley. They can sign up with friends or cabin groups, or choose to venture out on their own! Here's what we're planning for '03:

**Bike:** Biking is taking a whole new route this year, as we are currently exploring new biking areas in northern Minnesota and Wisconsin. These trails will give campers a true mountain biking experience through varying terrain. Improve your biking skills, complete some award requirements and see some awesome sights.

**Canoe:** Canoe down the Crow Wing River, a winding river in northern Minnesota. Spend three days on the river with friends, work together in a community setting, build a fire, cook your dinner over it, challenge yourself, go for a swim, hang out with friends, relax, have fun!

**Hike:** Make Foley history this summer by joining other camper on the Lake Superior Hiking Trail as we complete the trail to Canada! After three summers of hiking sections of the trail, campers in '03 will help to finish the trail! Campers can expect fun, adventure, challenge, great views, forests, rivers, streams, and maybe even a moose!

**Space is limited - you must pre-register for this trip by contacting the camp office.** More information with specific packing items will be sent closer to camp.

All of these trips are offered during each of the two-week sessions. Campers will find out more about them at camp during their first sign-up.

# Golfing

Calling all golfers! How would you like to spend a morning golfing? A Camp Foley counselor will take a group of campers to a nearby golf course - Emily Greens - for the morning to play on a nine-hole executive course. For \$23.00 you receive 9 holes of golfing, rental of clubs, three balls and a refreshing soda! Due to the availability of appropriate sized rental clubs, campers need to be 11 or older to participate. You may commit to one to three mornings per session. If you are interested in this, please contact us.

# Are You New to Foley??

## Preparing Yourself for Camp

Here are some hints and suggestions to prepare and empower yourself for your experience at Foley:

•**Not a strong swimmer or a little rusty?** Take some lessons or practice before coming to camp to increase your endurance and familiarity with a variety of strokes. Remember that swimming in a lake is different than swimming in a pool!

•**Spend a night or two at a friend's house.** Pretend that you are off to camp and pack your own bags and only call home if there is an emergency.

•**If you don't already do these tasks,** take the initiative to make your own bed, pick up and put away your own clothes, brush your teeth, wash and comb your hair, etc...

•**Practice the "camp bedtime routine"** of using your flashlight to read, write, draw, and/or listen to your Discman quietly for up to 15 minutes before falling to sleep.

•**Practice having "rest period"**, a ½ hour quiet time after lunch where campers are on their beds. Campers are generally found reading, drawing with markers, playing card games or brain teasers, writing letters, beading, doing work puzzles, etc... (Electronic games are not an option.) Put together a rest period kit of fun things to do!

•**Make a letter writing packet.** Include pre-addressed stamped envelopes, pencil/pen, paper, etc.

•**Practice making new friends** – talk about how to do this with specifics:

- Smile and say "hello"
- Ask them to walk with you
- Ask them to sit by you
- Move over to include them
- Ask them questions about themselves: Where are you from? What are your favorite activities?

## First Day of Camp – What Happens?

You're excited. You're scared. Your stomach has butterflies and your head is swamped with questions. Will I make a friend? What cabin will I be in? Who will be my counselors? When do I get to pick my activities? When do we eat?!? Wow! You sound just like the rest of our Foley campers! Did you know that kids come to Foley in a variety of ways? Many of our campers fly. The majority rides our special busses. Some arrive by car. And a few even come by boat!

**Here's what happens if you fly to the Minneapolis/St. Paul Airport:**

- Our counselors will meet you at your arrival gate. You'll

have a chance to call home to let your family know of your safe arrival and then it's off to get your luggage and load up the bus. As soon as all the campers have arrived, you're on your way to camp!

**Here's what happens if you are riding the bus to camp:**

- Everybody meets at Our Lady of Grace Church in Edina, MN. Boarding begins at 10:00 a.m. and by 10:30 a.m. the bus is on it's way to Foley!

**What do you do on the bus ride to camp?**

- Meet some of the counselors and campers.
- Start making new friends.
- Begin learning and singing some of the favorite camp songs.
- Eat a yummy bag-type lunch.
- Play games.
- Have FUN!

**What happens when you get to camp?**

- All campers arrive to a chorus of cheers and welcome from staff.
- Meet your cabin counselors who will take you to your cabin and help you find your assigned bunk.
- Meet your cabin mates! Start getting to know them!
- Start unpacking and begin to settle in.

**What happens after that?**

Along with your cabin counselor and cabin mates, you will

- Take a tour of camp
- Meet the camp nurse
- Take the Foley Safety and Endurance Swim Check. This check lets us know what type of swimmer you are. For the check, you'll jump in the water with your lifejacket on and then swim 25 yards. We need to make sure your lifejacket fits you right! After that you'll jump back into the water without your lifejacket and tread water for 5 minutes. After a rest, campers swim 50 yards using the front crawl or breaststroke.
- Sign up and create an activity schedule for the next 3 days
- Play games
- Dinner is at 6:00p.m.

**What happens after we eat?**

- Everyone is off with their cabin groups to learn more about each other, play games, and finish settling in.
- After that it's the Opening Campfire! It is a fun time as our counselors entertain you with funny skits and tricks and goofy songs.
- Our younger cabins have lights out at 9:30 p.m. and our older cabins are soon to follow at 10:15 p.m.

Camp is fun! Fun is camp! Being a kid means having fun in the summer. Foley is fun! Did you know that before our campers arrive at Foley the staff spend hours on creating fun, being fun, and playing!

Wow! It's raining, how about creating a gigantic fort in your cabin? How about flashlight tag after the lights are turned out in your cabin? It's a super hot day and all of a

sudden all of the activities are closed and the entire camp is down swimming and playing in the water! It's fun dressing crazy. It's fun doing crazy relays when there are 100 other kids cheering you on. How crazy can your cabin skit be? Fun is getting up on water skis for the very first time. Fun is designing and constructing your own car for the Pine Car Derby Races. Fun is the giggles and laughter of being silly with your friends. Fun is playing capture-the-flag or three-goal soccer. Fun is singing silly songs at a campfire. Fun is eating a gooey s'more or making Rice Krispie treats over a fire and getting sticky melted marshmallow everywhere!

**Choose fun and join us at Camp Foley!**

## Cool Counselors

Camp is full of counselors. These are not ordinary college students. No, these are young adults prepared and willing to give their best to you and every other

camper. They have gigantic hearts. They know that safety and good health are very important. They have to play, play, and play some more. They need to be ready to sing, smile and laugh out loud! They also need to listen,

comfort, and encourage. They put campers' needs first.

They know that quality instruction is important. They know you look to them to be leaders and friends. They have a tough job. A counselor becomes a parent and a friend when you arrive. Counselors are indeed special.

# New Things for 2004

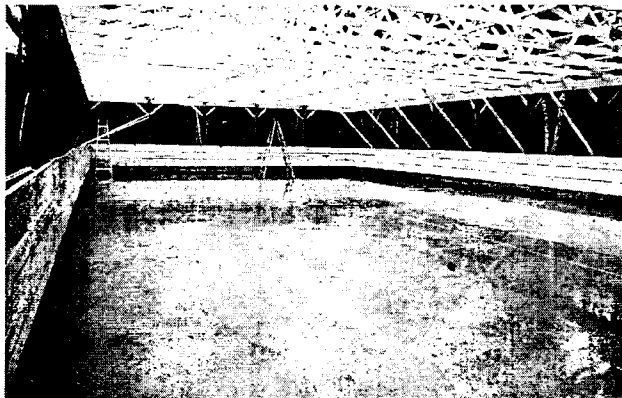

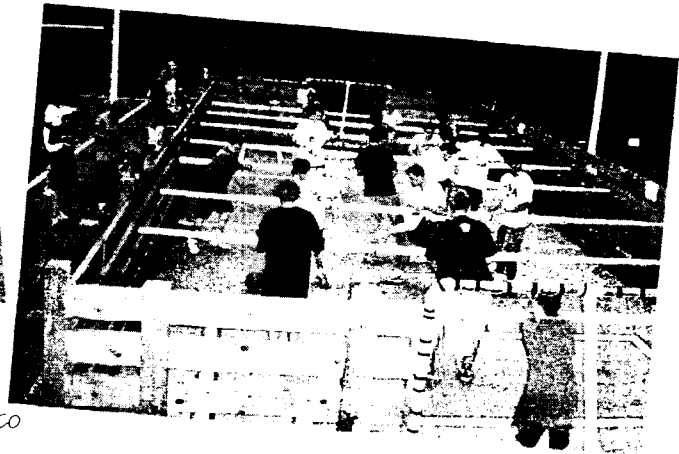

## New Athletic Area

The new athletic area is going to be bouncing with activity! The Human Foosball court will allow 20 participants to work as a team to kick the ball while being "locked" into your position with only being able to slide side to side along the pipe. It is a blast! The large enclosure will be used for all sorts of games with floor hockey and broomball immediately coming to mind. We can also let our imaginations run wild and think about pickle ball, shuffle board, 4 square, pogo sticking or hopscotch! Perhaps the camp dance will be held there on a rainy night!

In addition to the two courts, horseshoes and badminton will also be going in. And by popular demand – tetherball!

Here is our Human Foosball court. Last summer we were able to take some groups to a neighboring camp to play on their court. You can see what the court looks like when it is completed and in use.

Here is our new large multi-purpose court (40 by 80 feet) that we will be able to play floor hockey, broomball and other games. It will have a roof so we can continue in the rain.

## Celebrating 80 years in 2004!

Did you know that this upcoming summer, Camp Foley will be celebrating 80 years of fun, exciting programs? Did you know that our 2004 Campers will be experiencing a sprinkling of these fun events and activities that have added so much to the rich tradition of Foley? From cabin challenges to Little Red Suzy, from Flag Pole Time to Boxing, or the Great Umgawa Festival to celebrating our founder, Father Foley's birthday on August 8<sup>th</sup>. And then there is the 4<sup>th</sup> of July picnic complete with Jello and bug juice on the soccer field. Will the Across the Lake Swim, the 4 Way Rifle Match, or the Sailing Regatta with Camp Lincoln return? How about the square dancing? Watch for the January Newsletter for more information.

## Lake Superior Hiking Trip

For the past few summers, we at Camp Foley have taken on the task of hiking the Superior Hiking Trail on the North Shore of Lake Superior in sections as part of our tripping program. In '03 we made it to Canada and have started our trek back toward Duluth. This trip is geared for the true tripper. We spend 3 days hiking the trail, camping along the way, and averaging a total distance of 20 miles per trip. The Superior Hiking Trail is one of the top ten best trails in the country, offering views of Lake Superior, hikes through gorges, over trout streams, through white pine, aspen and cedar forests, and many opportunities to explore one of the most beautiful parts of Minnesota.

**Sign-up today** for this adventure! This will enable us to assist you by sending you equipment suggestions so that you are properly outfitted and prepared for the experience. We will also be able to plan transportation and the actual length of the trip if we know the numbers before hand. Older campers are strongly encouraged to consider this trip as a way to diversify their camping experience as well as take part in Foley history as we continue our hike. This is literally a once in a lifetime opportunity as we are nearing the end of the trail, only fifty some miles to go! **If you are interested in this awesome opportunity, contact the camp office today!**

## New Things for 2004 (cont.)

### Leaders in Training - LITs

**New! Fun! For 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> Graders Limited Space! Apply Today!**

Are you looking for a different twist to your summer at Foley? Do you like the feeling of the camp community, but want a little more? Do you want to hang out, work and play with your peers who are also interested in leadership? Do you want some special privileges? Do you want to be part of the first, truly leadership program at Foley? Do you want to gain skills and experience that will last a lifetime? This will be awesome to put on that college application too!

The leadership skills that will be learned can be used in all parts of life, including home, school, sports, youth groups, work, and in the community. Camp is about learning by doing, so participants learn these skills in a safe environment through a **variety of fun and challenging activities**, workshops, and discussions. They also get to **create, plan, and present** their own special events and programs for other campers and staff. Participants receive frequent feedback and evaluations, do self-evaluations, and keep a "Leadership Log" journal to help them get the most from their experiences.

**It's fun!** It's doing things that only LITs can do – special activities and special out of camp experiences.

This program is for young people who are **highly motivated, ready to work and play hard**, and who demonstrate additional responsibility in accepting the challenges of leadership. Unfortunately, we have a limited number of spaces in our program; not all who apply are accepted. If you are interested in this awesome program, contact our camp office. The first campers to apply were **Taylor Costas, Maggie Epstein, Jessie Garretson, Taylor Hines, Austin Lilly, Eloise Schlafly and Krista Strobel**.

### Counselor in Training Program - CIT

Are you going into 11<sup>th</sup> or 12<sup>th</sup> grade and want to spend four weeks at camp? Do you want a new twist to your summer? Do you want to be in a leadership training program that is innovative and fun? Do you want leadership skills that you can take back to your community, your school, or your church? Do you want to be a leader of younger kids? Do you want to spend time with these younger campers? Contact our camp office for more information. Space is limited.

### Dishwashers Needed

Calling all campers fourteen years and older! We want you to join our dishwashing team! Limited space is available. Where else can you play all day, hang out with your friends, and gain the experience of working? Work off a portion of your camp tuition by washing dishes once each day. *Most importantly if you are a reliable and hardworking dishwasher, it benefits your CIT application or future employment. You can use Foley as a reference on future job applications too.* It is not all work either – the end of the session Dairy Queen is very popular. If you are interested, contact the camp office. The following campers are currently signed up to help: **Taylor Costas, Jessie Garretson, Kelsey Hays, Taylor Hines, Austin Lilly, Eloise Schafly, Krista Strobel and Nick Westra**.

## Character Counts

### Light Your Candles on December 25

How are you living? Are you keeping true to your character? Do you see the color red and think, "**Caring**"? Or more importantly are you being a caring person? What have you done to exemplify your **citizenship** (purple)? Are you reliable and loyal to your friends, **trustworthiness** (blue)? Do you show **fairness** (orange) at school and in your play? How are you treating others? Is it with **respect** (yellow)? Do you show **responsibility** (green)?

We certainly hope that you are being a true Foley camper! On one of your last days at Foley, you participated in a Candle Ceremony. Do you remember sharing ways that you were a person of character? Do you remember the six candles being lit by various campers? "As I light this yellow candle, may it be a reminder to bring the light of respect to your thoughts and actions". Let us earn respect by the way we treat others and our

environment. Always follow the Platinum Rule – "Treat others the way *they* want to be treated." Be considerate, treat people respectfully, and be tolerant of differences. Treat equipment and the environment in a respectful way as well, by taking care of things, picking up after ourselves, and conserving resources. Respect cannot be learned, purchased or acquired - it can only be earned."

You were then asked to take your small candle and light it off of one of the six larger candles representing caring, respect, responsibility, citizenship, fairness and trustworthiness setting a character goal to work on. On December 25<sup>th</sup> you have been asked to relight your candle, recommitting yourself to your goal and to be reconnected to the campers and counselors of our Foley community.

same activity area and to try to achieve some new ones. Setting goals and challenging ourselves builds our character!

## Hall of Fame and Bridge Crossing

Besides our traditional activity awards and Anchor awards that were distributed to deserving campers, The *Hall of Fame* is another important achievement. To achieve this recognition, a person needs to spend 10 summers at Foley as a camper and/or counselor or combination of the two. Hall of Fame prospects also have to write an essay entitled "What Camp Foley Means to Me" and complete a biography sheet describing their years at Foley. We did not have anyone eligible to receive this special award in 2003, but there are several who will qualify in 2004. We are hopeful that they will participate, so we can add more names to the list of recipients of this distinguished award!

The qualifications needed for the *Bridge Crossing* was attendance at Foley for at least 5 years and completion of the "What Camp Foley Means to Me" essay. There were many eligible campers for this award, but only a few decided to make the great effort of writing the essay. Congratulations to **Peder Arneson, Chris Baldwin, Kylie Beltz, Peter Beltz, Chris Blahna, Clare Brady, Allie Fox, Greg Huey, Adam Leistiko, Kristen Mitchell, Alyssa Ruhland, and Rachel Schoch!**

The qualification needed for the *Stepping Stones* is attendance at Foley for at least 3 years. The 2003 campers who received this recognition signed a special board that is hanging in the Dining Hall.

# Highlights 2003

## Foley on a Fly

New to Camp Foley this summer was the amazing sport of fly-fishing. Fly-fishing is a sport and an art form that is arousing the curiosity of many people. Technically it is different from all other forms of fishing because it is the weight of the line that carries your offering to the fish and not the weight of the offering itself. Camp purchased six new fly rods, reels and fly tying vices in June to start an exciting new activity with fantastic potential. Campers had the opportunity to sign up for fly-fishing as an activity and for a trip.

In the Third Session there were nearly thirty campers who signed up for fly-fishing. There was so much interest that three activity periods were scheduled and eighteen lucky campers were able to participate. The first class of the sign up began with a brief introduction to fly-fishing and a lesson on fly-tying. Each camper had his or her own vice and all eighteen campers tied their first *wooly buggers*. On the second day, the campers practiced the art of fly-casting without hooks on Foley green. On day three, we brought the rods down to the lake to fish off either the dock or the pontoon boat. The pinnacle of the new fly-fishers' experience was their trip to the Pine River.

Three groups hopped into the van on Sunday and **Todd Hiller**, Foley's own high performance tripping driver, drove the groups to Staircase Landing on the Pine River. This peaceful landing led us down to the tranquil stream to what we like to call the "honey hole." The first group of fishers included campers **Phillip Zieser, Jeronimo Leon, Molly McGuire and Kathy McCadden**. This group landed nearly twenty fish during their short two hour excursion, their first experience fly-fishing in a river. Our florescent top water poppers mostly attracted rock bass and a few sunfish. Jeronimo and Phillip had a chance to experience the thrill of having a rod bending fish on the end of a fly line, and it became obvious that they were hooked on this new sport! During the second trip to the "honey hole," **Edwin LaMair** caught more than his fill hooking into ten rock bass off the top water on a green popper. We all had milked the honey hole to exhaustion.

Camp Foley provides an amazing environment for campers to learn more about fly-fishing, tying and conservation of our precious natural resources. With fly-fishing now a part of the diverse number of activities at Foley, it offers another opportunity for new adventures like our trip to the Pine River to all those in camp.

## Sailing

When talking about dedication there is only one thing that comes across my mind, which is of course sailing. During the Third Session, **Jack McGarvey** and **Henry Dickinson** decided that they would try out sailing. They did not know what to expect until they got to the Sailing Optis, first time class. In this class, they displayed hard work but at the same time having the best time of their lives. You always knew when Henry and Jack meant

business – Henry's hat would go on backwards and Jack would have that happy grin on his face. After their first day of sailing, the only thing these two individuals would talk about is sailing and I loved to hear about their many different sailing adventures. They were always curious about everything that had to do with sailing. They kept talking about their dream to be able to go out and sail camp's 420s but in the mean time they are mastering the Optis.

## Tripping

One of the best things Camp Foley has to offer is the trips. What would you not love about being out in the wilderness with nothing but the bare necessities? Trips are a great way to test your limits and prove yourself. The boys biking trip for Fourth Session was no exception.

It was a great group of guys, which included **Matt Kronschnabel, Chris Niebur, Jack Buchanan, Greg Massey, Reid Carlson, Alex Boyd, David Stoffer, and Tommy Lunda**. Everyone was super pumped and the van ride to Chippewa National Forest was packed with excitement playing the Celebrity Name Game.

Once we got there, everyone was pretty hungry. We ate lunch and then started out on a short ride. Oh, by the way, the food was awesome - Walking Tacos and Piedmont Pizzas for dinners, S'mores for dessert, and Oatmeal for breakfast. How could you ask for anything more? After the ride, we had a blast playing Frisbee in the swimming area of the lake.

The next day was our big bike ride. We did twenty plus miles in two days. Now that is what I call an accomplishment! I was impressed at the effort put forth by everyone. Most of them, especially Greg and Chris, couldn't get enough of riding around and making obstacle courses. They came up with great names for them like Insane Hill and Moron Mountain because of the level of difficulty.

All in all, it was an amazing trip. We had great weather and even better were the conversations between us. It was truly what the Camp Foley Tripping Program is all about.

By **Ryan Johnson, 3rd Year Counselor**

## Forts and Socks

My favorite moment from Camp Foley 2003 happened during the Fourth Session. "Forts and Socks" was Cabin Kildare's evening activity. All the campers had questions about what we would be doing. I explained that we would build forts in our cabin, and then proceed to have a huge war of throwing socks at each other. They all laughed and then asked what we were REALLY doing for an evening activity. When we finally got started, they all got pumped up about throwing socks at other people. When we explained that it would be campers versus counselors, the campers got pumped up even more. The campers took a long time to prepare their fort and took a lot of pride in their accomplishment. It was an intense half hour of battle, and the cabin was a huge mess afterwards. During cleanup, not a single person was arguing about who had won the battle, they were all just satisfied with having a fun time. It was a blast!
