

January 2009

Make your summer SIZZLE!

Welcome to 2009!

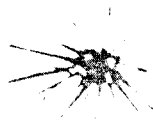

We wish you all a very Happy New Year! We are excited about the next chapter in Foley history, and as we celebrate our 85th summer, we hope that you help us to continue to spread the spirit of Foley to the next generation of Foley Campers!

We have lots of new things slated for this summer. Here is a sneak peek at some of the things that we are working on!

Revamped Paintball Courses

Since we added paintball a few years ago, we have changed the course a little each year, but this summer we are going to be moving bunkers around a lot and adding new and improved spots to hide. Hopefully this will add new twists and allow for some new games to be played!

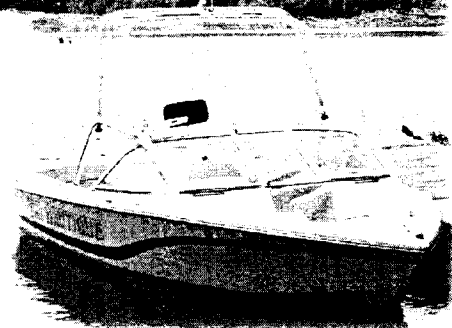

New Ski Boats!

Our water skiing and wakeboarding program will have 2 new Ski Nautique boats for 2009! At the request of our campers, one of these boats will have a tower giving our wakeboarders more freedom for tricks. We are in the process of ordering the boats and will have pictures of the actual boats that we buy up on the website soon! Exciting!

New Paddle Boards for the Swim Dock!

The all time camper favorite during Paddle Mania is the board! 12 new paddleboards are being purchased for our campers to enjoy! Be sure to get to the water to enjoy these new boards.

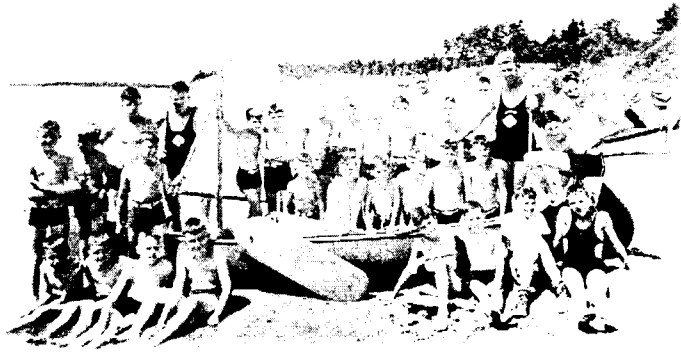

Note: Pictures are from manufacturer's websites

85 Years and Counting!

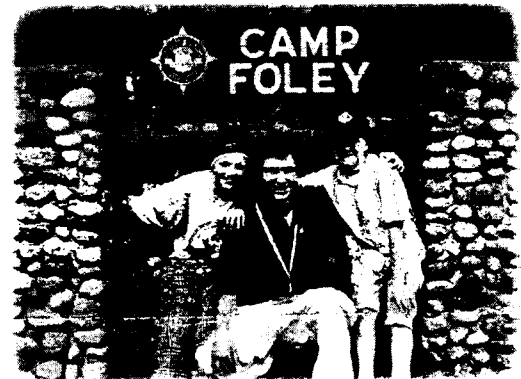

In 1924 **Father Foley** had a dream of creating a place where boys could come to work, play and learn independence. Now, **85 years later**, Foley is still committed to allowing children (we added girls in 1974) those opportunities. In honor of our 85th anniversary, we have several exciting events going on at camp. There will be opportunities to look at pictures, view the old camp movies, and sing some of the songs long part of our Foley history.

Time Capsule

Back in the 80's we buried a time capsule that will be opened in 2024 (at the 100 year anniversary). Our campers have been bugging us to bury an additional capsule so that their memories can be preserved for a shorter time frame. This summer we are going to bury a capsule that will be opened, along with our original one, on the 100th anniversary.

We will be adding projects, recordings, and writings and burying the time capsule on Father Foley's Birthday - August 8th.

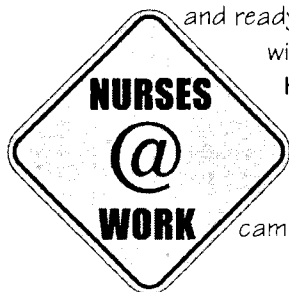

Commemorative Gear

We will have special 85th anniversary stuff for sale through our camp store this year! We haven't made a decision on whether we are going to do clothing or other items, but please check the website for more information in February.

Camp Nurses

We have all of our nurses for next summer signed up and ready to roll! We look forward to working with **Kristin Harris, Tracey Miley, Heide Bedingfield, Kerry Dixon and Yvonne Combs!** We truly appreciate them taking time out of their busy lives to come help us at camp for a couple weeks.

Seasonal Admin

We are very excited about the leadership team for next summer. There are lots of great counselors that are already hired or that have applied (see page 3). **Jenny Delaney, Chris Mathiowetz, and Sean Gokey** will also be joining Marie, Alli and Mary in January.

We recently found out that **Mike and Kate Mogard** will also return to camp as Assistant Directors for their 6th and 9th summers respectively. Mike will be working with the fox and coyote boys and Kate with the fox and coyote girls. They will also both work with a variety of the land activities.

A New Look for 2009!

In an effort to keep connected with all of our current campers and staff as well as get the word out there about Camp Foley to new people, we are going to be revamping our website. The new look will hopefully allow us to offer you more services and be a little easier for you to navigate through. Please look for the new and improved Foley website sometime after the first of the year!

Special Programs for 2009!

Banquet Days!

Renaissance (1st & 3rd Session)

For our 1st and 3rd Session Banquets, we will be traveling back in time to a land of Kings, Queens, and Knights for our Camp Foley Renaissance Festival. The day will be filled with jousting contests, slaying dragons, coronation of a King and Queen, and a knighting. Don't forget your costume. Dress up like jester, town crier, a town's person, or a knight.

Superheroes (2nd & 4th Session)

It's a bird, it's a plane, it's a Camp Foley Superhero. We have all wanted to have a super power, be invisible, fly, or have a secret identity to fight crime! During our 2nd and 4th Session Banquets, we will all get a chance to see what it would be like to be a Superhero. You could create your own superhero, gain some superhero training, or even develop a secret headquarters. Dress up too as Superman, Batman, Power Puff Girl, Captain Planet, or create your own superhero!

Fun in the Sun Barbeque

Did you know that in the 1990s we had a lunch called "Fun in the Sun" where half the camp had sandwiches and played outside while the other half had pizza in the dining room. (The following day the campers switched.) This was because in our old dining room we did not have enough ovens to make pizza for the entire camp. Fun in the Sun is returning this year in an upgraded version – barbecuing chicken, burgers and hotdogs. After eating one can choose to lounge on the grass, toss the Frisbee, chill to some music or go for a swim!

Dancing Pajamas

Bring those hilarious and hideous pajamas that are hiding in the bottom of your dresser to wear at the Grand Dance Festival! An evening of dancing, playing sand volleyball or tennis or watching a movie all in your pajamas! Get creative! Bring your favorite tunes.

Tree House Fun

As a cabin group you will venture to spend the evening at one of the two tree house sites. New in 2009 is that you will depart in time to enjoy a delicious meal around the fire complete with desert. After playing games, star gazing, and chilling around the campfire you will spend the night in the tree

Special Pack Events

Halloween

Coyote Campers (11-12 year olds) 1st & 3rd Sessions

Fox Campers (10 and under) 2nd & 4th Sessions

Do you wish Halloween lasted for more than just one day in October? Well, this is your chance to get that Halloween costume out one more time. Experience a haunted house, pumpkin decorating contest, and so much more. Check to see when your pack group will be experiencing the goblin filled day! And don't forget your costume.

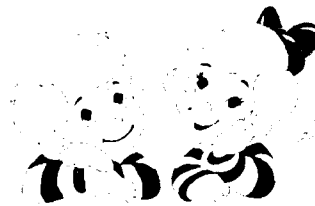

Candy Land as a Giant Board Game

Fox Campers (10 and under) 1st & 3rd Sessions

Coyote Campers (11-12 year olds) 2nd & 4th Sessions

Did you know that Candy Land has been played by kids since 1949? Did you know that this will be the first time in Foley History that we will be playing this game in giant version! Bring your overalls and a striped shirt to wear as you make your way through the Peppermint Forest and through the Lollipop Woods. Keep your eyes open for Lord Licorice and Queen Frostine and hopefully you will not get stuck in Molasses Swamp! This surely will be full of adventure and fun as you make your way to Candy Castle. Will there be real candy?

ASCJE Version 1 and ASCJE Version 2

Wolf Campers (ages 13 and older)

Version 1: Played during First & Third Session

Version 2: Played during Second & Fourth Session

This event is planned! This event is full of laughter! This event requires skill in ways that one would not even imagine! This event is played at camps around the United States and in corporate offices. This event required specialized training of one of the Directors. This event is so awesome that we cannot wait for you to participate! No special attire is required.

2008 Scholarship Donors

Camp Foley would like to extend a big THANK YOU to everyone who supports this program through contributions. Although our 2008 Scholarship Donations, totaling \$6614.94, fell short of our goal of \$8000.00, we were still able to offer full and partial scholarships to 14 deserving applicants, giving them the opportunity to experience all that Camp Foley has to offer. Our scholarship campers add diversity to our camp community, generally coming from inner city and rural settings. Some of them are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. Please help us continue to offer this great service to these kids!

Here is what a few of the scholarship kids had to say about their 2008 Camp Foley experience:

"Thank you for letting me return to Camp Foley. I've been attending Foley for 5 years and each year, it gets better. My main activities have been paintball, riflery and trap. All of these have increased my concentration and bravery. If I had never started attending Camp Foley, I don't know what kind of person I would be. Camp taught me to be more tolerant of different people and it helped me become more social and have more confidence when I talk to people... Once again, I thank you!" Boy age 14

"I had a great time at camp and I really miss you guys. I wanted to thank you for making my summer awesome. The activities that I was involved in were so fun. It really hurt to leave but I know that I was going to see family. You helped me through the homesickness. Alli, you were also like my best grown-up buddy. I had a great time this summer and I really appreciate all that everyone has done for me." Girl age 11

"Thank you for giving me the opportunity to attend Camp Foley. I enjoyed myself and I am looking forward to another year filled with fun and excitement... Before I attended camp, I never knew how to rock climb or fish... Being on my own and having to keep up with my things made me realize that I had to be very responsible. I couldn't rely on my parents anymore; I had to rely on myself... Thank you for turning my summer into a summer opportunity of a lifetime and getting me prepared for middle school." Girl age 11

"Thank you for accepting me into the Camp Foley Family. I have been there two years and each year was different. I am usually with the same people every day, but at camp I met people from around the world. Camp Foley gave me a sense of the beauty of nature and the outdoors. At camp, I have become more responsible and more organized. I loved my time at camp. Thank you for the opportunity to experience such a wonderful and memorable place. My time at Camp Foley was not just a summer opportunity of a lifetime, but a life changing experience! Girl age 11

Go to the website for more information and the online application. You must sign-up prior to camp.

What do campers say about the leadership program?

"During the last 2 years of camp, I have had a great experience being in the leadership program. I have learned that it can be difficult leading events for other campers, but it is all worth while when you can see the joy on their faces. I am also able to take what I learned as an LIT and apply it to school, sports teams, and work." Sarah C, 15 year old camper

"To me, being an LIT means being a leader. It means that because the younger kids look up to you, you have to do your best to set an example. Being an LIT isn't just about organizing games or motivating people. It's about lending a helping hand and expecting nothing in return."

Rose S, 14 year old camper

Foley Artists

We have a couple Foley campers who are demonstrating their artistic abilities this winter with Foley. Paige Harrington's drawing was chosen for the cover of the 2009 activity guide, and Sarah Hines will be designing our song book cover. We want to congratulate both of them!

Summer 2009: Fabulous

Paddlemania

Along with the **12 new paddleboards**, the **Aviva Saturn** will be joining paddlemania. You can try going from side to side and watch it tilt or try to climb the ball. Head over to the swimdock and challenge your friends to a duel on the log or the King or Queen of Saturn.

Dance and Sports

Dance was the most popular class last summer with over 50 campers taking dance and swing dancing. This summer our dancers will have a **new iPod dock** to groove to the beat!

We have a couple exciting things happening in our sports programs for 2009! For our hockey lovers, the barn will have **corner boards** to make games a little easier, and the basketball court will be getting **new lines** painted on the court this spring.

Marina

Of course the most exciting thing out on the lake this summer will be our **2 New Nautique ski boats**, but we also have some other new toys for 2009!

* For our more advanced wakeboarders, along with the **new wakeboarding tower** on the boat, we will have **new helmets** for campers to test out all the new ticks.

* **New Barefoot teaching chair**

* **Wake Surfing COMES TO FOLEY!**

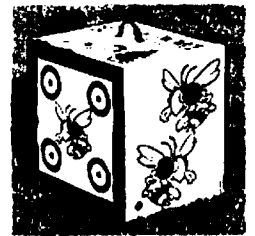

Easy starts, low boat speeds, the feel of freedom, and a fast learning curve makes wake surfing a fast growing, fun new sport.

* We will be offering a new class in 2009 for our advanced fishermen. Join our counselors for an early morning trip out on Whitefish! Do some serious fishing, and check out some cool new places out on the lake.

Archery

We will have some new targets up at Archery to practice shooting for 2009. A **deer, antelope, and javelina** will be joining the range along with this **10 point bull's eye target**.

Shop

Taking out the old and adding the new! We have been working hard this winter to revamp the shop with new shelves, new tools and new projects!

We have new exciting projects for 2009!

CD Clocks

CD Rack

Name Plate

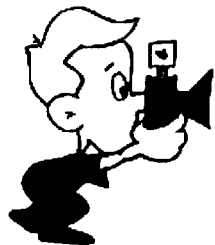

Wooden Games

Rope Ladder Shelves Basic Shelf

Crafts

You wanted to do some photography at camp and you got it! You will be able to **TAKE, EDIT, and PRINT pictures** right in crafts!

To go along with the picture taking, we have great new projects for 2009!

Scrapbooking

Card Making

Frame Making

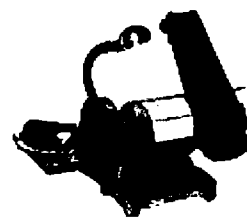

T-Shirt Screen Printing with Colored T-Shirts!

Decorative Signs

Throughout the summer, we will also be working with two projects around camp!

A quilt for the dining hall!

"Ads" for around the barn!

For all of your sanding needs a **new Combination Belt and Disc Sander** has been added to the line of power tools in the shop for summer of 2009! Now make sure to step into shop to enjoy the new sander and projects for '09!

Improvements around camp!

Bed Head Boards

Remember how when you slept on the top bunk in the cabins you would lose your pillow in the middle of the night? Those days are over! One of our camper parents is creating headboards so your pillow will no longer leave your bed!

Hammocks

We will be replacing some of our older hammocks and putting up a new set of three on each end of camp. Now you will have more places to hang out during Morning Fun, Free Swim, or with your cabinmates.

Programs and New Stuff!

Banquet Days!

Renaissance (1st & 3rd Session)

For our 1st and 3rd Session Banquets, we will be traveling back in time to a land of Kings, Queens, and Knights for our Camp Foley Renaissance Festival. The day will be filled with jousting contests, slaying dragons, coronation of a King and Queen, and a knighting. Don't forget your costume. Dress up like jester, town crier, a town's person, or a knight.

Superheroes (2nd & 4th Session)

It's a bird, it's a plane, it's a Camp Foley Superhero. We have all wanted to have a super power, be invisible, fly, or have a secret identity to fight crime! During our 2nd and 4th Session Banquets, we will all get a chance to see what it would be like to be a Superhero. You could create your own superhero, gain some superhero training, or even develop a secret headquarters. Dress up too as Superman, Batman, Power Puff Girl, Captain Planet, or create your own superhero!

Dancing Pajamas

Bring those hilarious and hideous pajamas that are hiding in the bottom of your dresser to wear at the Grand Dance Festival! An evening of dancing, playing sand volleyball, tennis, or watching a movie all in your pajamas! Get creative! Bring your favorite tunes.

CampFire Twists

We love singing all those camp songs like **Da Moose**, **Purple Light**, and the **Camp Foley Song** and seeing our crazy counselors do skits like **Director's Cut** and the **Bee Skit**. This summer we are going to add some new twists and spice to our opening campfires! We will be bringing back some of the old songs we haven't hear for a while like maybe **Three Little Bears** or **One Pink Porpoise**, adding new crazy characters, themes, skits, and some extra surprises you will have to wait to see what they are. But GET EXCITED!

Speical Pack Events

Halloween

Coyote Campers (11-12 year olds) 1st & 3rd Sessions
Fox Campers (10 and under) 2nd & 4th Sessions

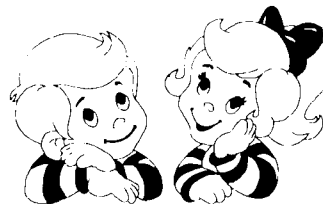

Do you wish Halloween lasted for more than just one day in October? Well, this is your chance to get that Halloween costume out one more time. Experience a haunted house, pumpkin decorating contest, and so much more. Check to see when your pack group will be experiencing the goblin filled day! And don't forget your costume.

Candy Land as a Giant Board Game

Fox Campers (10 and under) 1st & 3rd Sessions
Coyote Campers (11-12 year olds) 2nd & 4th Sessions

Did you know that Candy Land has been played by kids since 1949? Did you know that this will be the first time in Foley History that we will be playing this game in giant version! Bring your overalls and a striped shirt to wear as you make your way through the Peppermint Forest and through the Lollipop Woods. Keep your eyes open for Lord Licorice and Queen Frostine and hopefully you will not get stuck in Molasses Swamp! This surely will be full of adventure and fun as you make your way to Candy Castle. Will there be real candy?

ASCJE Version 1 and ASCJE Version 2

Wolf Campers (ages 13 and older)

Version 1: Played during First & Third Session

Version 2: Played during Second & Fourth Session

This event is planned! This event is full of laughter! It requires skill in ways that one would not even imagine! This event is played at camps around the United States and in corporate offices. This event required specialized training of one of the Directors. It is so awesome that we cannot wait for you to participate! No special attire is required.

Tree House Fun

As a cabin group you will venture to spend the evening at one of the two tree house sites. New in 2009 is that you will depart in time to enjoy a delicious meal around the fire complete with desert. After playing games, star gazing, and chilling around the campfire you will spend the night in the tree.

Bridge Crossing Essays

(Excerpts from the 2009 Bridge Crossing Essays)

The qualifications needed for the Bridge Crossing are attendance at Foley for at least 5 years and completion of the "What Camp Foley Means to Me" essay. There were many campers who were eligible for this honor, and we would like to thank the 16 individuals who decided to take the time to put their Foley experience into words by completing the essay. Congratulations!

Nicole Boyd – age 13

"I remember being frightened, scared, and confused my first day of camp, but when the OLG bus arrived I was welcomed by warm, smiling faces and tons of friendships just waiting to happen."

Marnie Brown – age 16

"One aspect of camp that I have brought to my everyday life is all that I learned in the LIT program. Being a LIT is challenging at times, but I count it among one of my most rewarding experiences....I was elected to my school's student council this past year and found myself thinking back to all that I learned in LIT meetings and pulling ideas to use for my school."

Char Carlton – age 14

"What I appreciate most is that when I come here I can do things that I don't do at home, like sail, shoot a gun, ski, or play human foosball – all things that I still enjoy after doing them countless times."

Matt Carney – age 16

"As we grow older, we forget the past. Such is life. But we cannot forget what has happened to us in this magical place we call Camp Foley...For all of those who have passed through and have yet to come, we have landed on something truly beautiful."

Ben Castaneda – past camper & counselor in '09

"Most importantly, only at Camp Foley can you truly learn through tradition what it is to laugh, to love, to play, to sing, and for two weeks out of the year, to really be a kid."

Ally Daily – age 15

"Camp was always my beacon of light in a dreary school year. Whenever I was sad I could look to the future or the past and think of camp...."

Elisabeth Dean – age 13

"When I get older I want to become a counselor here. I want to be able to see the kids come back every year and get older like some have done for me. I think the more you come the more important it is to you."

Gaby Driessen – past camper & counselor in '09

"When I first arrived for staff week, we were asked what our spark was. I wrote down traveling, but if I have learned anything over these past two weeks as a counselor, my three year hiatus of spending my summers here, or over my nine years as a camper, it is that Camp Foley is my spark."

Cole Shepherd – age 13

"Camp Foley has given me the opportunity to really make me realize that I can do something if I set my mind to it. I have experienced so many Foley Firsts I can't even believe it."

Dan Suchsland – age 16

"When I sit down and really think, it is all the great experiences and laughs that I have had the privilege to share with so many great people over the past five years. Camp has been a place where I have grown from a boy to a man, both physically and mentally."

Parker Poché – age 16

"The impression that camp has made on me is noticeable, I'll still go into thrift stores and see a crazy outfit and say, "That would be perfect for camp". Every story I tell at home will start, "this one time at Foley..."

Michael Rutzick – age 14

"Foley is a paradise because of all the awesome activities it offers that I can't do at home. Activities such as sailing, riflery, and canoeing. It is also a paradise because of all the time you don't have to relax – it's all non-stop fun and I think that it is great."

Megan Schmidt – age 16

"...And I know camp wouldn't be such a heaven-on-earth without all the staff members, especially counselors. I have loved every one who had to put up with me and my cabin for the past five years."

Tory Kronschnabel – age 11

"At camp I have learned how to do many things from archery to windsurfing. I have found activities which I love through camp. I really enjoy water skiing because it takes a lot of effort."

Maddie Loosbrock – age 14

"My days at camp have helped me spread my wings to try new things, meet new people, and become more confident. I can proudly say camp has helped me become a more confident person and a much better leader than I was five summers ago."

Steve Nightengale – past camper & counselor in '09

"Memories- Fr. Foley's Chapel Talks on Thursday nights, which often covered the sin of Pillow Fighting. When you destroyed a camp pillow, he said, it was a form of thievery, which he pronounced without the "h"."

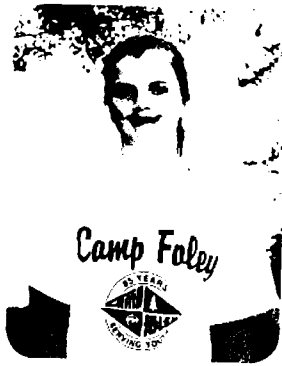

If 2010 will be your 5th summer or more, you are invited to become part of the Bridge Crossing group. To become a member, you need to write an essay of 500 words or more on "What Camp Foley Means to Me?". Submit your essay to Camp Foley. Hint - do your essay this winter!

Stepping Stones

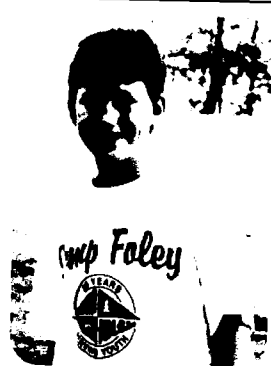

The qualification needed for the Stepping Stones is attendance at Foley for at least 3 years. The 2009 campers who received this recognition signed a special board that is hanging in the Dining Hall. Congratulations to all of those campers! It was impressive!

Parent Comments!

"When [my husband] and I finally made it up to visit this year, I wondered...was camp really that beautiful, fun, wholesome and full of action? Or was our daughter somehow exaggerating – imagining – even hallucinating such a perfect place? The answer was yes – it's really great and no- she's not kidding!" *Mother of 7th Year Camper – Illinois*

"[My son] came off the bus and said that this past 2 weeks was his best camp ever. He really enjoyed all the kids in the cabin and both counselors. He is interested in doing some counseling later in his teens. Whatever you are doing – it has been a great experience for [my son] – keep it up." *Mother of 4th Year Camper – Minnesota*

"[My son] had an AMAZING time at Camp Foley. When I asked him the other day, what his favorite thing has been about summer, he said "camp"! I was very impressed by the number of activities offered at Camp Foley and by his enthusiasm for the ones he chose. I was also impressed by the quality of the counselors and by their mid-session and post-session communication to us. [My son] loved his counselors, and I am sure this was a contributing factor in his enjoyment of camp." *Mother of 1st Year Camper – Wisconsin*

"[My son] came home elated with his Foley experience this year. He is even considering going back next summer, even though he had planned this to be his last summer. He really enjoyed his LIT experience and thinks he would love to be a counselor some day. And he was really happy with all the friends he made from around the world. Really, he couldn't stop smiling!" *Parents of 7th Year Camper – Minnesota*

"My husband and I are very impressed with your camp – especially the counselors and the staff (including the Nurse's office). The counselors are top notch – I can tell from the stories [my daughter] tells me, the pictures she took, and the counselors feedback, how awesome they all are – hopefully they will all be back!" *Mother of 3rd Year Camper – Minnesota*

"The best part of the experience in my mind was the fact that the camp focuses on character traits in a way that makes the kids act responsibly and respectfully within the community. I like that you do a reading at meals, that you talk about character traits and that there are banners and visual reminders in the dining hall. It sets the expectations for respectful and responsible behavior and makes kids feel really safe. I wish there was more modeling and setting expectations like that for kids in our world today." *Parents of 1st Year Camper – Washington*

"She loves trying new things. We were surprised she chose riflery, but seemed to enjoy it. Thanks for providing insight into [my daughter] away from home. She's pretty private about her performances – so it was fun to hear she hammed it up in the show." *Mother of 3rd Year Camper – Missouri*

"My kids learned a great deal about independence while meeting new people and learning about different cultures. They even loved the food and now want me to make things they tried. (You even got [my son] to eat his veggies)." *Mother of 3rd Year Camper – Missouri*

"Since we picked him up at the airport he has not stopped talking to us, his grandparents and friends about the great time he had at the camp, and also about the activities he practiced at the camp which he doesn't have in Monterrey (sailing, LaCrosse, trap, wakeboarding, etc.)...By the way, during these days some thoughts about things that happened at the camp came to his mind and he began to laugh which tells us he had a wonderful time there..." *Father of 1st Year Camper – Mexico*

"When I picked her up at the airport, the first words out of her mouth were "I'm going back next year!" She loved everything about it, the food was great, she tried all activities from sailing to horseback riding, and even though she went with [a friend from home], she met a bunch of new friends that were already texting her." *Mother of 1st Year Camper – Illinois*

"I keep asking [my son] for some "detailed" information about Camp, but as I read the categories to him – his reply to every one is: Awesome! Awesome! Awesome! Thank you all very very much for giving him a great camp experience." *Mother of 1st Year Camper – Ohio*

"This was [our son's] 1st year at Foley and he didn't know anyone else, but the counselors made him feel at home right away. All of the counselors' hard work did not go unnoticed by [our son] – he thought they had pretty tough jobs. He has shown some interest in being a Camp Foley counselor when he gets older." *Parents of 1st Year Camper – Minnesota*

"[Our son] had an amazing time at camp this last two weeks. His counselors and cabin mates were a particular highlight. We are very proud of his ability and willingness to come to camp knowing no one – you made that very easy for him with activities designed to "bond" the kids and enable them to make new friends." *Parents of 3rd Year Camper – Minnesota*

Leadership Program – Thank You!

Once again we had a lot of campers who successfully completed the various levels of the Leadership Program! A big thank you to these campers who used their leadership skills in a variety of ways from leading evening programs to helping decorate for the banquets! Our younger campers as well as our staff appreciated everything you did to help keep the Foley spirit alive.

LITs 1, LITs 2, and LITs 3 2009

We had another great summer with our LIT 1, 2 and 3's! They practiced leadership skills while doing games and initiatives with their peers as well as the younger campers. They also had a lot of time to hone their organizational and leadership skills while planning a one hour special event for our younger camper cabins, like casino night, spa night, nature adventure, and twists on all our favorite sports.

In addition, the LITs 1, 2, and 3's had a chance to create and plan a morning event for all of camp. They did a great job using their creativity with our Survival of the Foleyist, 4th of July Celebration, Hogwarts is in Session and Fairy Tale Adventure mornings.

Counselors in Training 2009

These campers were going into 11th grade and were at camp for four weeks. They made a commitment to focus their leadership and time with our younger campers. They assisted these campers in their cabins, at their tables, and in their activities. They also entertained them with four amazing CIT campfires. A very special thank you to these CITs! Many times we hear, "I'm going to be just like them when I grow up and be a CIT!" A big thank you to **Kylie Beltz, Matt Carney, Eric Newman, Parker Poché, Daniel Suchsland, Courtney Kronschnabel, Katie McGuire, Molly McGuire, and Cole Spencer.**

Dishwashers 2009

On those hot summer days, we had a wonderful crew of campers who worked off some of their camp tuition while doing dishes. The following campers enhanced on their work experience while helping out the camp community: **Alex Niebur, Char Carlton, Luke Walden, Courtney Kronschnabel, Katie McGuire, Joe Dwyer, Aly Sklare, Jeff Pflanz, Emily Sciortino, Peter Hughes, Stephen Davis, Jake Ernst, Cameron Jackson, Kevin Beltz, Elliott Gourvil, Rose Shaffer, Adam Kay, Kylie Beltz, Parker Poché, Jessica Hickok, Yanna Gworek, Tyler Moffat, Will Turner, Will Crawford, Matt Meshbesh, Hexser Holliday, Nika Wallschlaeger, Emily Newman** - You were truly appreciated!!

Join the Leadership Program!

We are now taking applications to be part of the LIT, CIT and Dishwashing programs for next summer! You can find the online applications on the **CIT/ LIT Section** of the website, along with more program highlights. Let us know if you have any questions!

Make your summer SIZZLE!

You may have memories of riding bikes
or memories of long, long hikes.

You may think long of learning to sail
or finding a way to get more mail.

You may laugh with friends you'll have forever
or counselors that are downright clever.

You may be thinking of flashlights gleaming
or hoping to see the Minnesota stars beaming.

But whatever direction your mind may wander,
we hope you find some time to ponder,

That although your yard may be full of snow,
your times at Foley will forever GLOW.

★ New Year's Eve - GLOW with the whole Foley Family! ★

We invite all of you to join with fellow campers, staff, and alumni
around the world to light a candle, crack a glow stick, or swing a
flashlight around in honor of your friendships, memories, and
experiences at camp.

camp friends). Email or facebook the pictures to us - we hope to

Bridge Crossing and Hall of Fame

You can only imagine the surprise that our campers had as we gathered outside of the dining hall in response to the ringing of the emergency drill bell to find two distinguished alumni in their Anniversary shirts.

Steve Nightingale and Jim Conley who were campers in the 50s, CITs and finally counselors in early 60s stopped by to say hi!

Steve wrote his 500 word essay to become part of the **Bridge Crossing** group (those campers and staff that spent 5 summers or more at Foley), shared some of his memories with the campers and was inducted into the **Hall of Fame**. This was a Foley First having an alumnus return for this honorary ceremony. The campers were so impressed that Steve received a standing ovation and kids wanted their pictures taken with him! Numerous campers wanted to know if he knew their dads!

Nightingale

Here are some recaps of his memories

- Fr. Foley Chapel Talks on Thursday nights which often covered the Sin of Pillow Fighting
- Bob and Vi, the growing family, and their house with the little picket fence
- Harvey Cleaver and the singing of H-A-R-V-E-Y-M-O-U-S-E when he was trying to make announcements
- The Hobart Dishwasher, the center of our lives as CITs
- Mike Redmond's formula for preventing sunburn, a little tincture of iodine in a Johnson's Baby Oil jar
- Getting up at 5:00 a.m. to go fishing
- Singing John Jacob Jingleheimer Schmidt and everything else in the green song book
- Putting gasoline on your hair to keep the mosquitoes away in July (and no, we didn't smoke in those days)

2010 Alumni Triathlon Weekend

About the Race

The Camp Foley Triathlon is the perfect event to reconnect with camp friends in the spirit of competition while running, biking and canoeing.

Participants and their families are **invited to spend the night** (in Foley's cabins or at local hotels) and relive your camp memories while feasting at a **banquet on Saturday evening** and a **Sunday brunch** (complete with soda bread).

Make history and join us for another Foley First! Our goal is to provide you with an enjoyable triathlon experience and plenty of time to reconnect with camp friends.

When & Where

Saturday & Sunday, September 18 & 19, 2010.

Directions can be found on our website.

Event Proceeds

Proceeds raised from this event will go towards **Camp Foley's Scholarship Fund** with checks being written to **ACA Scholarship Program**. We appreciate the efforts to make a camping experience possible for future Foley campers who otherwise could not attend.

Divisions

Participants may compete as part of a two person team or as an individual and we will find you a canoeing partner.

Two person teams can choose to canoe together and both do the running and biking or do it as a relay with one biking and one canoeing. Or they can canoe together and one person can be off running and biking.

Awards

All triathlon participants attending the awards ceremony will have an opportunity to win a **grand prize drawing of one week of camp tuition in 2011**.

Awards will be presented to winners with divisions being determined in the spring as we get a feel for the number and ability of registrants.

Kid's Races

Races and events of varying levels for kids of all ages will be held on Saturday. Including **"The Foley Green Sprint & Wiggle"** (5 yrs & younger), **"The Foley Loop & Obstacle"** (6-11 yrs), and **"The Junior Tri-Two Mile Run & Field Challenge"** (11-13 yrs).

Triathlon Race Course

The race course is a short course that allows for people of all athletic abilities to participate. With options available to do parts of the race, we hope you will at least join us for one or two of the legs.

Canoeing

This is a two person effort where you will canoe approximately 2 miles (wind dependent). Pairs will be placed in heats according to their estimated canoeing ability. Only two people per canoe are allowed and lifejackets must be worn. The canoeing pair can be two triathlon participants or a person who only competes in this event. Foley will provide canoes and paddles.

Biking

The bike course will be 10 miles conquering the hills and curves on CR 134, out to Highway 1 and east to The Ole Grade Road and back to Foley. All cyclists must observe MN traffic laws. Certified hard-shelled bike helmets are required. No listening devices are allowed. Drafting is prohibited.

Running

The running course will be 3 miles going west of camp on a paved road encompassing a loop and returning to the same spot. Listening devices are strongly discouraged on the course.

2009 Scholarship Donors

Camp Foley would like to extend a big THANK YOU to everyone who supported this program through contributions. In spite of a gloomy economy, we still received generous donations totaling **\$7,313.32 to our 2009 scholarship program**. This amount allowed us to offer full and partial scholarships to **14 deserving applicants**, giving them the opportunity to experience all that Camp Foley has to offer.

Our scholarship campers add diversity to our camp community, generally coming from inner city and rural settings. Some of them are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation, and/or other challenges.

Thank you for truly making a difference in the lives of Camp Foley's scholarship campers – you are AWESOME!

In Memory of:

2009 sadly marked the loss of two very dear Foley friends, **Dr. Mark Norman and Clinton Andrus**. We would like to extend a special thank you to their families for directing their memorials to the Camp Foley Scholarship Fund. We will miss their stories and support of camp.

Here is what a couple of the scholarship kids had to say about their 2009 Camp Foley experience:

"It was great being around people of different cultures, backgrounds, and nationalities. I learned to expand my imagination to associate myself with all people no matter what they look like or where they come from...It is people like you that make kids' summers awesome. Thank you for everything you have provided me during the two weeks I was at your camp."
~ Girl age 12

"I had the time of my life at Camp Foley and I want to thank you for all of the years you have granted me to come to your camp... For six years you have provided me with friends, fun, and memories that will last my entire life... Thank you so much." ~ Boy age 16

Want to make a donation???
Please send your tax deductible donation to Camp Foley. Checks should be made to the "American Camping Association" and designated for the Camp Foley Scholarship Program.

Foley History Quiz

Last summer we celebrated our 85th Anniversary each session beginning with sharing of Foley history, old movies, and songs from the past. Each camper received a “retro” t-shirt and camp pictures were taken in those matching shirts, just like days past. We had numerous visitors who joined us for a meal in our camp Dining Hall sometimes sharing a memory or leading a song. Tours were given and memories were passed onto the next generation.

One evening the campers took the Historical Quiz allowing cabin groups to compete against each other. Here is a sampling of the questions asked. Test your knowledge! Answers are at the bottom.

1. What year was Human Foosball and the Barn built?
2. Out of what material were the first canoes at camp made?
3. Where was the first Riflery Range located?
4. Since the start of the sailing program in 1946, what kinds of boats have been sailed?
5. What year did the Climbing Tower go up?
6. When did the water ski program start & what was the horsepower of the first boat?
7. The first Chapel was located in what cabin?
8. The white Marina building has been a landmark since it was built in what year?
9. What year was the current Dining Hall completed?
10. When did the first girls come to Foley in the summer program?
11. What three names has camp had over the years?
12. What activity that campers participated in during the 60's no longer exists?

Our Lady of Snow Chapel, winter 2008.

Answers: 1. 2003; 2. Canvas – last one sold in 1955 and replaced by green fiberglass canoes; 3. By Mandan/Kewaskum – 1938; 4. Canoe with a Sail, X-Boat, C-Scow, M-16, E-Scow, Super Shark, Shark, Sunfish, Hobie Cat, Tanzer 22, Opti, 420, Catalina, J-15; 5. 1999; 6. 1956 Glasspar-green & white, 30 hp motor; 7.
