# 2009 Scholarship Donors

Camp Foley would like to extend a big THANK YOU to everyone who supported this program through contributions. In spite of a gloomy economy, we still received generous donations totaling **\$7,313.32** to our 2009 scholarship program. This amount allowed us to offer full and partial scholarships to **14 deserving applicants**, giving them the opportunity to experience all that Camp Foley has to offer.

Our scholarship campers add diversity to our camp community, generally coming from inner city and rural settings. Some of them are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation, and/or other challenges.

Thank you for truly making a difference in the lives of Camp Foley's scholarship campers – you are AWESOME!

## In Memory of:

2009 sadly marked the loss of two very dear Foley friends, Dr. Mark Norman and Clinton Andrus. We would like to extend a special thank you to their families for directing their memorials to the Camp Foley Scholarship Fund. We will miss their stories and support of camp.

Here is what a couple of the scholarship kids had to say about their 2009 Camp Foley experience:

"It was great being around people of different cultures, backgrounds, and nationalities. I learned to expand my imagination to associate myself with all people no matter what they look like or where they come from...It is people like you that make kids' summers awesome. Thank you for everything you have provided me during the two weeks I was at your camp." ~ Girl age 12

"I had the time of my life at Camp Foley and I want to thank you for all of the years you have granted me to come to your camp... For six years you have provided me with friends, fun, and memories that will last my entire life... Thank you so much." ~ Boy age 16

**Want to make a donation???**  
Please send your tax deductible donation to Camp Foley. Checks should be made to the "American Camping Association" and designated for the Camp Foley Scholarship Program.

## What's up for 2010!

### Banquet Days!

#### "When I Grow Up..." (1st & 3rd Session)

Imagine living your entire life in one day... this summer at Foley you can! Start the morning as a baby and progress through the life stages as the day goes on - child, teenager, working adult and of course senior citizen! "When I Grow Up" banquet will include the fun of every lifestage... dress as your favorite age or as a specific occupation and be prepared to have the time of your life, literally!

#### Disney (2nd & 4th Session)

Disney comes to Foley in 2010. You will play games and attend events inspired by the Disney classics. There may even be a chance to star in your own Disney short-film. Bring a costume from your favorite Disney movie or show. Remember that Disney doesn't

mean cartoon! You can go as one of the main characters (Mickey, Minnie, Goofy, etc.) or as part of one of the rides (a teacup perhaps). You can also tap into the movies...Pirates of the Caribbean, Swiss Family Robinson, Mighty Ducks, High School Musical, Remember the Titans, etc. And of course you can come as one of the cartoon classics, Snow White, Bambi or Nemo.

#### Bring on the 90's Dance

A couple years ago we hit up the 80's...this year we are going to be heading to the 90's! Neon colors, Reebok Pumps, hi-top tennis shoes, overalls, Zubazs, washed out jeans, and baggy pants. Crazy shirts! Crazy styles! Just google "90's clothes," and you can get a good idea of what the style was!

#### Special Events

# 2010 Alumni Triathlon Weekend

## About the Race

The Camp Foley Triathlon is the perfect event to reconnect with camp friends in the spirit of competition while running, biking and canoeing.

Participants and their families are invited to spend the night (in Foley's cabins or at local hotels) and relive your camp memories while feasting at a banquet on Saturday evening and a Sunday brunch (complete with soda bread).

Make history and join us for another Foley First! Our goal is to provide you with an enjoyable triathlon experience and plenty of time to reconnect with camp friends.

## When & Where

Saturday & Sunday, September 18 & 19, 2010.

Directions can be found on our website.

## Event Proceeds

Proceeds raised from this event will go towards Camp Foley's Scholarship Fund with checks being written to ACA Scholarship Program. We appreciate the efforts to make a camping experience possible for future Foley campers who otherwise could not attend.

## Divisions

Participants may compete as part of a two person team or as an individual and we will find you a canoeing partner.

Two person teams can choose to canoe together and both do the running and biking or do it as a relay with one biking and one canoeing. Or they can canoe together and one person can be off running and biking.

## Awards

All triathlon participants attending the awards ceremony will have an opportunity to win a grand prize drawing of one week of camp tuition in 2011.

Awards will be presented to winners with divisions being determined in the spring as we get a feel for the number and ability of registrants.

## Kid's Races

Races and events of varying levels for kids of all ages will be held on Saturday. Including "The Foley Green Sprint & Wiggle" (5 yrs & younger), "The Foley Loop & Obstacle" (6-11 yrs), and "The Junior Tri-Two Mile Run & Field Challenge" (11-13 yrs).

## Triathlon Race Course

The race course is a short course that allows for people of all athletic abilities to participate. With options available to do parts of the race, we hope you will at least join us for one or two of the legs.

## Canoeing

This is a two person effort where you will canoe approximately 2 miles (wind dependent). Pairs will be placed in heats according to their estimated canoeing ability. Only two people per canoe are allowed and lifejackets must be worn. The canoeing pair can be two triathlon participants or a person who only competes in this event. Foley will provide canoes and paddles.

## Biking

The bike course will be 10 miles conquering the hills and curves on CR 134, out to Highway 1 and east to The Ole Grade Road and back to Foley. All cyclists must observe MN traffic laws. Certified hard-shelled bike helmets are required. No listening devices are allowed. Drafting is prohibited.

## Running

The running course will be 3 miles going west of camp on a paved road encompassing a loop and returning to the same spot. Listening devices are strongly discouraged on the course.

## Shop Building and Crafts Move

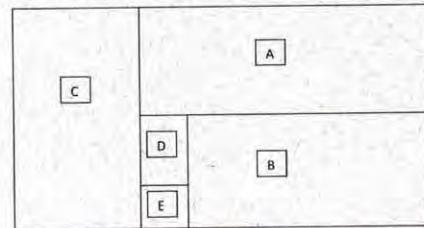

This spring we will be busy constructing a new building that will be a new home for our Woodshop Class! Stormwood (the Halloween haunted house from last summer) will be torn down and the new building will be put in this location. We also are putting a bathroom in this new building for all of our classes across the road!

With Woodshop moving across to the new facility, crafts will be moving out of Osawaka and into the Shop building.

This will allow both Woodshop and Crafts to have more space. We are excited for this big and new change.

This will be a new activity at camp, yes that's right, a new activity. It will be a class option on your signup sheet. 3 hours of honing your skills on the range and hit that Eagle Eye status. There will be moving parts, maybe some motorized elements and competitions between shooters.

Our theme is going to be a pawn shop. You may wonder why a pawn shop and I say why not! Have you ever seen or been to a pawn shop? They have a little bit of everything, so we will have a little bit of everything too. Sporting goods, Musical objects, Plumbing hardware, Automotive bits and pieces, and more. The range will be located across the road by Paintball. We are still in the creative designing phase so if you have any comments or ideas for this make sure you email us! Hope you are as excited as we are!

# Summer 2010: Fabulous

## Biking

12 new bikes have been added to our fleet of 20 for this summer! We purchased 10 Trek 3700 (a cool gold color) and 2 Trek 3900 (Carolina blue) for all of our bike trips and in camp Bike classes. Frank will be back to continue to teach the Bike classes and hopefully it will be another great summer of biking!

## Swimdock

Due to the success of Synchronized Swimming last summer, (which will be back for another summer), we will be adding **two more fun classes** to the Swimdock. We will have **Olympic Swimming**, which will

be a conditioning class and water games, including water basketball and polo. As well as **Guard Start**, which will be a junior lifeguarding class. Hope to see you down at the Swimdock this summer!

## Sailing

This summer, we are going to be adding some official racing equipment to our boats. Each boat will have a stopwatch to be used during the starts of races. We are also getting a full set of racing flags to be used during the races to show starts, stops, infractions and various other issues that might come up!

## Gaga Ball

Gaga Ball comes to Foley! Gaga Ball is similar to four square and dodge ball. 10 to 12 people try to avoid being tagged by a ball. If they get tagged they are out. Check out this link for more detailed rules and regulations, but get ready for some intense playing this summer!

[http://www.ehow.com/how\\_5274205\\_play-gaga-ball.html](http://www.ehow.com/how_5274205_play-gaga-ball.html)

## Crafts

We have heard from a lot of you, and are excited for Crafts this summer! Look for **screen printing** to come back with colored t-shirts again and the addition of flags. We will be **painting on glass** maybe you will have the chance to paint the salt and pepper shakers in the dining hall, a jar, or message in a bottle. You also will be able to design and make **mosaic tiles, chainmaille jewelry, a picture frame, or a journal**. Finally, we will be trying something new this summer with **Open Studio**. During Morning Fun or Free Swim head over to the new Crafts Building and you will be able to choose what you want to do. Come to Crafts!

## Shop

Why buy a Yo-Yo when you can make your own! That's right one of the projects for this summer is making your own wooden Yo-Yo. We will also be making the **wooden paddle ball game, mini table top hockey or soccer game (your choice), and whistles**. Remember to also take shop this summer because you can make your own personal **SLING SHOT** to use at our new sling shot range! Get excited!

## Waterskiing/Wakeboarding

Toward the beginning of last summer, we received a generous donation of another ski boat, the Classy Lady. This has really allowed us to get more skiers out onto the lake!

## Foley Hall Game Room

We are working on revamping our game room space and therefore have started to research some new games for Foley Hall. Thanks to the Sigel Family who donated a new **air hockey table**! We also are looking into skee ball or table shuffle board as well!

Dress up in neon colors, Reebok Pumps, hi-top tennis shoes, overalls, Zubazs, washed out jeans, and baggy pants. Crazy shirts! Crazy styles! Just google "90's clothes," and you can get a good idea of what the style was for your 90's outfit!

## Cabin Wows!

On top of spending time with your cabin in the tree houses, our creative team of staff will be planning an exciting Cabin Wow during each session of the summer. Your cabin could be doing a fun spa night, childhood games night, fishing and cooking a fish. The possibilities are endless. You won't know until the night of the event, but it should be a fun exciting night.

## Opening Campfires

Last summer our CITs put together four entertaining campfires. Since they did such a great job we thought we would let them plan our Opening Campfires for 2nd and 4th Sessions. Look forward to creative skits, silly songs, and new tricks.

## "When I Grow Up..." Banquet Theme

### (1st & 3rd Session)

Imagine living your entire life in one day... this summer at Foley you can! Disney comes to Foley in 2010. You will play games and attend events inspired by the Disney classics. There may even be a chance to star in your own Disney short-film. **Bring a costume from your favorite Disney movie or show.** Remember that Disney doesn't mean cartoon! You can go as one of the main characters (Mickey, Minnie, Goofy, etc.) or as part of one of the rides (a teacup perhaps). You can also tap into the movies...Pirates of the Caribbean, Swiss Family Robinson, Mighty Ducks, High School Musical, Remember the Titans, etc. And of course you can come as one of the cartoon classics, Snow White, Bambi or Nemo.

## 4th of July

This summer the 4th of July falls on the First Session banquet day. We will be putting some twists on the "When I grow Up..." banquet to include this American holiday. Maybe we will explore how America has grown up or important moments in history. So don't forget **your red, white, and blue** to help us celebrate.

# 2010 Honors

## Hall of Fame

Besides our traditional activity awards and Anchor awards that were distributed to deserving campers, the Hall of Fame is another important achievement. To achieve this recognition, a person needs to spend 10 summers at Foley as a camper and/or counselor or combination of the two. Hall of Fame prospects also have to write an essay entitled "What Camp Foley Means to Me" and complete a biography sheet describing their years at Foley.

In 2010, the following people received this honor:

Chris Revord, Natalie Lunda, and Claire Revord

Leslie Strobel, Jessie Garretson, and Kate Mogard

# New Things Around Foley in 2010

## Shooting at the Range

We saw the addition of a new activity at Foley this summer, the Foley Slingshot Range. Campers had the opportunity to shoot over 30 different objects which were stationed on an old building wall and railing. Using taconite pellets, campers played a variety of games, did one on one competitions, and attempted to shoot the Camp Foley sign to earn the Foley Award.

## Closet Junkie At the Marina

This summer we added a new award to our waterskiing and wakeboarding program! Campers were challenged to try out and successfully get up on all of the different equipment that we have in our ski closet, including:

- 2 Skiing
- Slalom Skiing
- Wakeboarding
- Wakeskating
- Wakesurfing
- Ride the Red Disc
- Trick Ski
- Barefoot (using our barefoot shoes)

We had 7 campers complete their award. Congrats to: Guillermo Bailleres, Brendan Burke, Jess Hickok, Char Carlton, Joey Mays, Jack Taylor, and Claudia Leon de la Vega. The award will be back next year so get ready to test your skills!

## Gaga over Gaga Ball!

This summer we saw an addition of a new game at Foley, Gaga Ball. It was a huge hit for everyone! Games would be started between classes, free periods, and in the evenings. Check out these action shots:

# Leadership Program – Thank You!

## LITs 1, LITs 2, and LITs 3

We had another great summer with our LIT 1, 2 and 3's! They practiced leadership skills while doing games and initiatives with their peers as well as the younger campers. They also had a lot of time to hone their organizational and leadership skills while planning a one hour special event for our younger camper cabins, like a sneak out, tea party, talent show, water games, and a snipe hunt.

In addition, the LITs 1, 2, and 3's had a chance to create and plan a morning event for all of camp. They did a great job using their creativity with our Pixar Movie Day, Folopoloy, Safari, and Crazy Games with the LITs.

## Counselors in Training

These campers were going into 11th grade and were at camp for four weeks. They made a commitment to focus on their leadership and spend time with our younger campers. They assisted these campers in their cabins, at their tables, and in their activities. They also entertained them with four amazing CIT campfires. A very special thank you to these CITs! Many times we hear, "I'm going to be just like them when I grow up and be a CIT!" A big thank you to Sara Turke, Kelsey Thomas, Chris O'Malley, Ally Daily, Peter Hughes, Char Carlton, Aly Sklar, Emily Sciortino, Claire Castaneda, Joe Dwyer, and Chris Revord.

## Community Service

This past summer, over half of our Leadership Campers were able to visit the local nursing home or provide programming for preschoolers at a local daycare. At the nursing home campers visited with residents, played dominoes, did some "bowling" and puzzles. The older CITs and LITs at the daycare created an hour and half program around a theme such as space (aliens), ice cream, sports, beach, ocean, and the zoo. It was a highlight for many of our leadership campers!

## Dishwashers

On those hot summer days, we had a wonderful crew of campers who worked off some of their camp tuition while doing dishes. The following campers enhanced on their work experience while helping out the camp community: Toby Glover, Alex Balcerac, Erin Foley, Courtney Geller, Nick Goldman, Ari Hechter, Isaac Lauer, Krista Opp, Calvin Perkins, Marena Wallschlaeger, Nika Wallschlaeger, Chantelle Bannister, Joshua Bannister, Nicolo Baravalle, Vanna Gworek, Jessica Hickok, David Mullis, Louis Savare, Katie Traub, Char Carlton, Claire Castaneda, Joe Dwyer, Meggie Flinn, Paige Harrington, Stephen Davis, Erika Hidem, Grant Oncay, Emily Sciortino, Miles Chaloupka, and Nate Rauschnot - You were truly appreciated!!

## Join the Leadership Program!

We are now taking applications to be part of the LIT, CIT and Dishwashing programs for next summer! You can find the online applications on the CIT/LIT Section of the website, along with more program highlights. Let us know if you have any questions!

# Bridge Crossing Essays

(Excerpts from the 2010 Bridge Crossing Essays)

Congratulations to the campers who decided to take the time to put their Foley experience into words by completing the essay based off of their past five years at Foley.

"It's not just the activities that make Camp Foley so splendid – it's the people. I feel like at camp I have a unique friendship with everyone – it's the 8 year-old who learned how to ski, the 15 year old who helped a camper do a front flip during diving, the fox who made the simplest friendship bracelet, the counselor who found a pillow because someone forgot theirs at home, the best friend who has been in your cabin since you started camp, or the CIT who made you eat your vegetables." Emily McGuire – age 14

..My next Foley memory is about the sidewalk. I wasn't always going to a destination, sometimes I was walking just to look around at what Camp Foley really looked like. I loved to let nature just soak in. It was utter perfection by the way. I would also walk around maybe half of the free swim just to look at the scenery..." John Daily – age 13

"This year, one of the amazing opportunities I got to try was being an LIT. Right away I knew I wanted to sign up. Being more of a leader was one of my goals. But, I didn't really know what being an LIT actually meant... Every day in LIT class, we learned how to be listeners, friends and teammates. We learned how to guide others without controlling them. I believe these skills will take me far in life. I learned so much more than I thought I would." Kaeli Patchen – age 15

"Every summer for the past six years I have come to Camp Foley. And every summer when I go home, I try to describe to my friends and family how special camp is to me. But, no matter how many times I tell them, I don't think they will ever understand." Kelsey Thomas – age 16

"Just like the story of the Three Braves, my awards are my roses, my friends are my rocks, but Camp Foley is my eternal sunrise and even though the sunrise has to go away, the memory of it will always be in my heart." Sara Turke – age 16

"Year after year, I have to leave paradise by coming home from my wonderful experience at Camp Foley. When I get home, I take out my camera and look at the pictures that I took in the magical world I call camp. The saying "a picture is worth a thousand words" is true in most cases; however, a picture from Camp Foley is worth a billion." Connor Wright – age 13

If 2011 will be your 5th summer or more, you are invited to become part of the Bridge Crossing group. Just write a essay of at least 500 words on "What Camp Foley Means to Me?". Submit your essay to Camp Foley. Hint - do your essay this winter!

"Camp is a time to show off your real self, and you don't have to hide anything. I am so happy that I can come to a place that I can show who I really am." Lilly McCarty – age 11

"At my second year at Camp Foley, I was bunk mates with a girl who ended up being a best friend to me. She is a sister to me and ever since the year we have met, we have been going to camp together."

Molly Bauer – age 12

..My next Foley memory is about the sidewalk. I wasn't always going to a destination, sometimes I was walking just to look around at what Camp Foley really looked like. I loved to let nature just soak in. It was utter perfection by the way. I would also walk around maybe half of the free swim just to look at the scenery..." John Daily – age 13

Camp just isn't like anything else, because to me, camp is a promise. Camp is always and it is forever. When I'm at camp, I have no role. I may be a girl, sister, daughter and I'm still an athlete, an artist, and a friend, but at camp, I'm more than all that. Here at camp, I'm me. Here at camp, I know that everyone I love so much loves me. They don't love the category I fall into, or the clothes I wear, but they love me as a person just as I love them. That's what Camp Foley means to me." Vanna Gworek – age 16

"It's taught me so many lessons and different ways to view the world that I can only hope that every other camper gets just as much out of the Foley experience as I did. I hope the younger campers appreciate the same things I do and pass it down to younger campers after them - thus, completing the cycle of Foley. Foley will forever be a part of me...Because this is goodnight and not goodbye." Jessica Hickok – age 16

"Seven years old, scared and already starting to feel homesick, I sat on the bus to a place called Camp Foley not knowing what to expect. Ten years later, I'm 16, a CIT, and ready to take on junior year. It's been quite a journey, and I'm pretty sure that's what life is a lot like, a journey." Peter Hughes – age 16

# 2010 Honors (continued)

## Birchbark Awards

The Birchbark Awards are awarded to campers who complete at least half of the requirements for the Silver or Gold Paddle Awards and who have followed Foley's Code of Living. For 2010, we would like to recognize Claudia Leon de la Vega, Jonah Schwartz and Jens Damgaard for putting forth the effort to complete the requirements for the Silver Birchbark Award. Congrats!

All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each session. The 2010 Anchor Awards were presented to the following campers:

**1st Session:**

## Parent Comments!

"We feel that the available activities, experienced staff and atmosphere at Camp Foley, make it a great fit for our family!" Mother of 2nd & 4th year campers from Minnesota

"He glowed about his counselors...He told me, "No offense, I don't miss home while I am at camp." Need I say more?" Parent of a 3rd year camper - Minnesota

"It amazes me the things he is able to share with others and when I ask, "How did you know how to do this?" - "Oh we did this at Camp Foley!". Thank you for the great experience and nurturing environment!" Mother of 3rd year camper – Minnesota

"[Our son] was nervous to be from another state. Fortunately, everyone in the cabin was from a different state – that was great. He liked his cabin mates a lot" Mother of 1st year camper from Colorado

"Every year [my daughter] comes back from camp more mature than when she left. There is a calmness and willingness to help when she returns. Camp is a perfect transition to middle school. It should go smoothly for her." Mother of a 4th year 2nd generation camper from Minnesota

  
"We know it has been an excellent opportunity for him to get to know other people. He told us that both of his counselors were excellent people and they treated him very good and that he felt very comfortable in his cabin. He really enjoyed all his classes and was very happy with his awards. This has been a wonderful experience that will mark our son forever." Parent of a first time camper from Mexico

"[My son] goes to camp to reunite with friends from [another state where we used to live]. For him, it is a time to reconnect with old friends and make new friends. He always has great stories about all the kids and the counselors." Mother of 3rd year camper from Louisiana

"...[our son] has come back a more appreciative, kinder and gentler version of himself. It warmed my heart when he told his younger sister (of course he didn't know I was listening), "Camp was so great. You can be who you are, wear whatever you want and everyone likes you. Everyone accepts you for who you are." Mother of a first year camper – Missouri

"With respect [our daughter's] experience at Foley has arguably lived up to her expectations, even beyond...To put it briefly, the first thing she told us after landing in Paris was "I want to go back there next year to spend time with my friends". Father of a first year camper from France

"I don't know what happened at camp but I sent one, cranky, sullen teenager and a new kid came home. He is happy, he smiles, he is polite and just plain old nice....Whatever you did, I am eternally grateful." A happy parent!

"[Our daughter] really improved and enjoyed her sailing this summer. She loved being a CIT and took her responsibilities seriously. She is already plotting how to get to come back as a counselor!" Mother of 8th year camper- Illinois

"[Our son] loved to be challenged at new activities and further develop skills at activities he was already good at, like waterskiing. As a teenager, [our son] does not elaborate much when he talks, but after camp, he talked our ear off for over 3 hours!" Mother of 1st year camper- Minnesota

# 2010 Scholarship Donors

Camp Foley would like to extend a big THANK YOU to everyone who supports this program through contributions. Thanks in part to Camp Foley's Alumni Triathlon; we exceeded the goal we set last year by \$1000!

In 2010, the Camp Foley scholarship program received generous donations totaling **\$8113.52**. Due to the slow economy, we had more inquiries for camper scholarships than we in past years, and were, fortunately, able to offer full and partial scholarships to 20 deserving applicants. Our scholarship campers add diversity to our camp community, generally coming from inner city and rural settings. Some of them are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. We would like to keep the goal for donations for 2011 at \$8000, to allow us to continue to offer the Foley experience to as many deserving applicants as possible. Thank you all for truly making a difference in the lives of Camp Foley's scholarship campers – you are AWESOME!!

"I was really excited about doing trap for the first time! It was fun learning how to do a new thing while having people cheering you on. Thank you for another great experience at Camp Foley." Girl age 13

"I enjoyed almost everything about camp! My first time playing paintball was a blast, my first time shooting shotguns was an explosion of greatness, and my first time away from home without knowing anybody I was going to meet was made a blast! The staff were friendly, the campers were funny and friendly, and the activities were awesome! I will cherish these memories forever, and it is all thanks to your extremely helpful financial aid, especially since we are tight on money right now..." Boy age 11

"The counselors were patient with me when I was struggling with an activity....I met new friends from all over the world. I like cabin time because I got a chance to get to know my cabin mates ...I had a good time this year!" Girl age 10

# Foley 2010 Triathlon Recap

The Camp Foley Triathlon was a great weekend of catching up, singing songs, trying activities, and a fun race! Here are some of the highlights!

Race participants pose before the start of the race.

Brad Yerhort and Chrisy Hughes paddle hard.

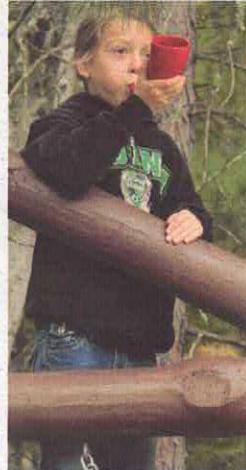

First place finishers Michelle and Jim Conway make canoeing look easy as Mike Schmid and Ryan Johnson follow behind.

## What was new in 2010!

This summer we saw an addition of a new game at Foley, Gaga Ball. A combination between dodgeball and four square, gaga ball, can be played with as many as 20 people at a time!

Campers had the opportunity to shoot over 30 different objects at the Foley slingshot range. Using taconite pellets, campers played a variety of games, had one on one competitions, and tried for awards..

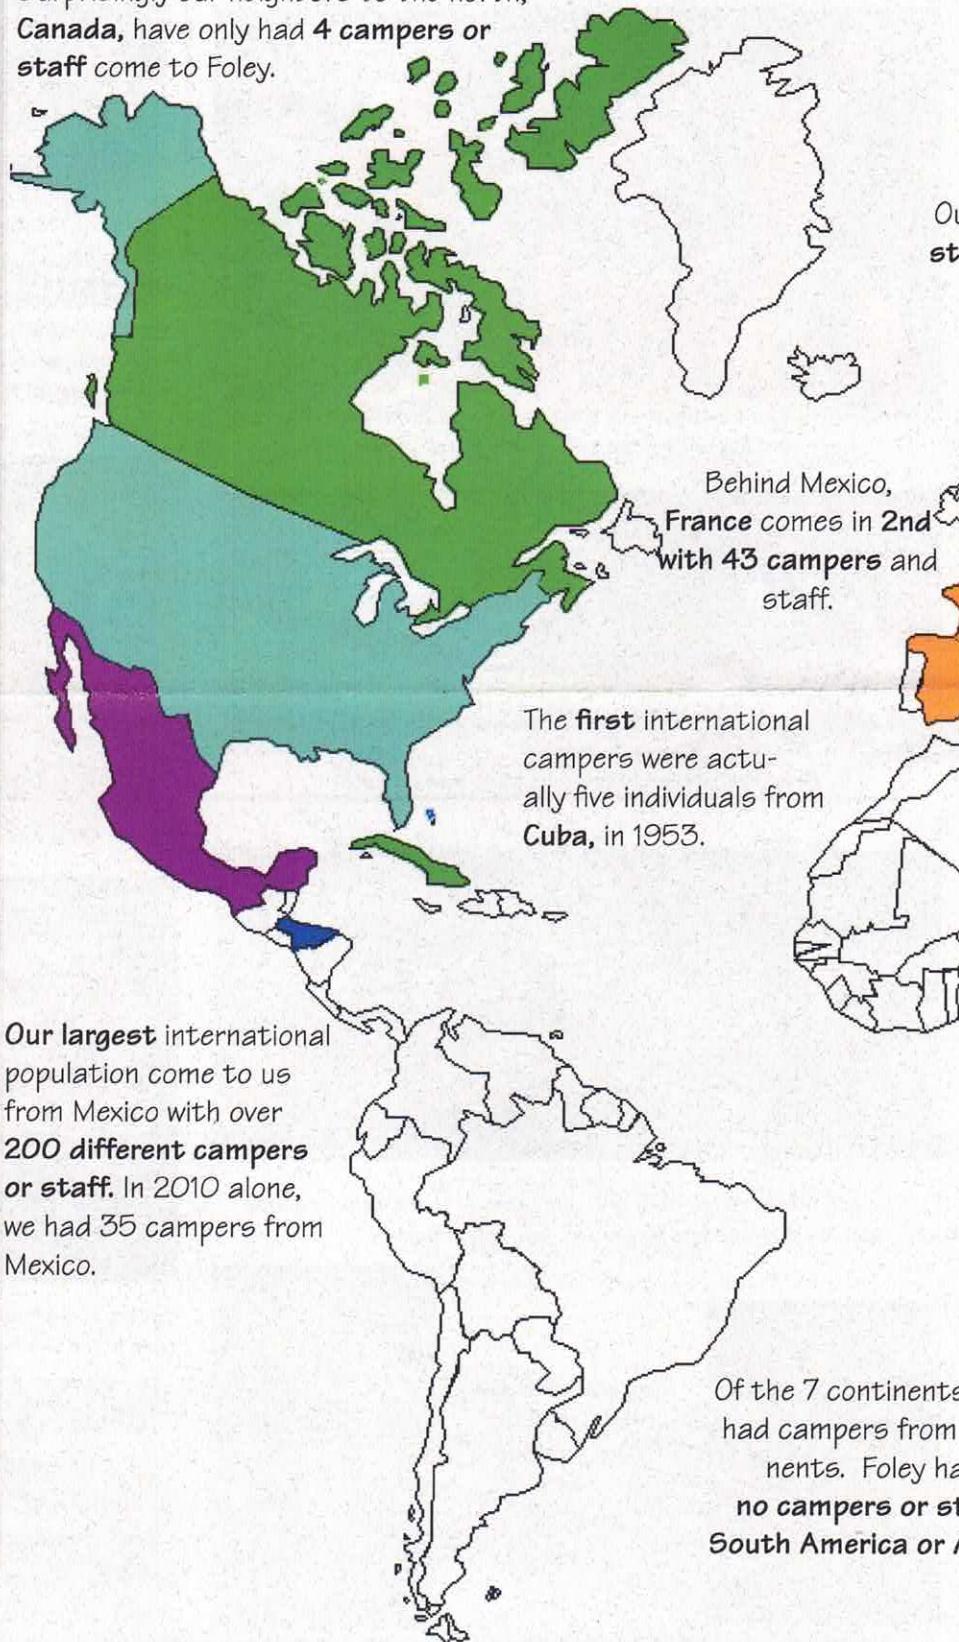

2011 will see the use of a new building, built in 2010, which will house our woodshop class, a bathroom for our classes across the road, and maintenance center.

## Where are F

To celebrate and recognize the international community we create at Foley from Netherland, wanted to pair each flag with the names of the campe

Surprisingly our neighbors to the north, Canada, have only had **4 campers or staff** come to Foley.

# Foley campers and staff from?

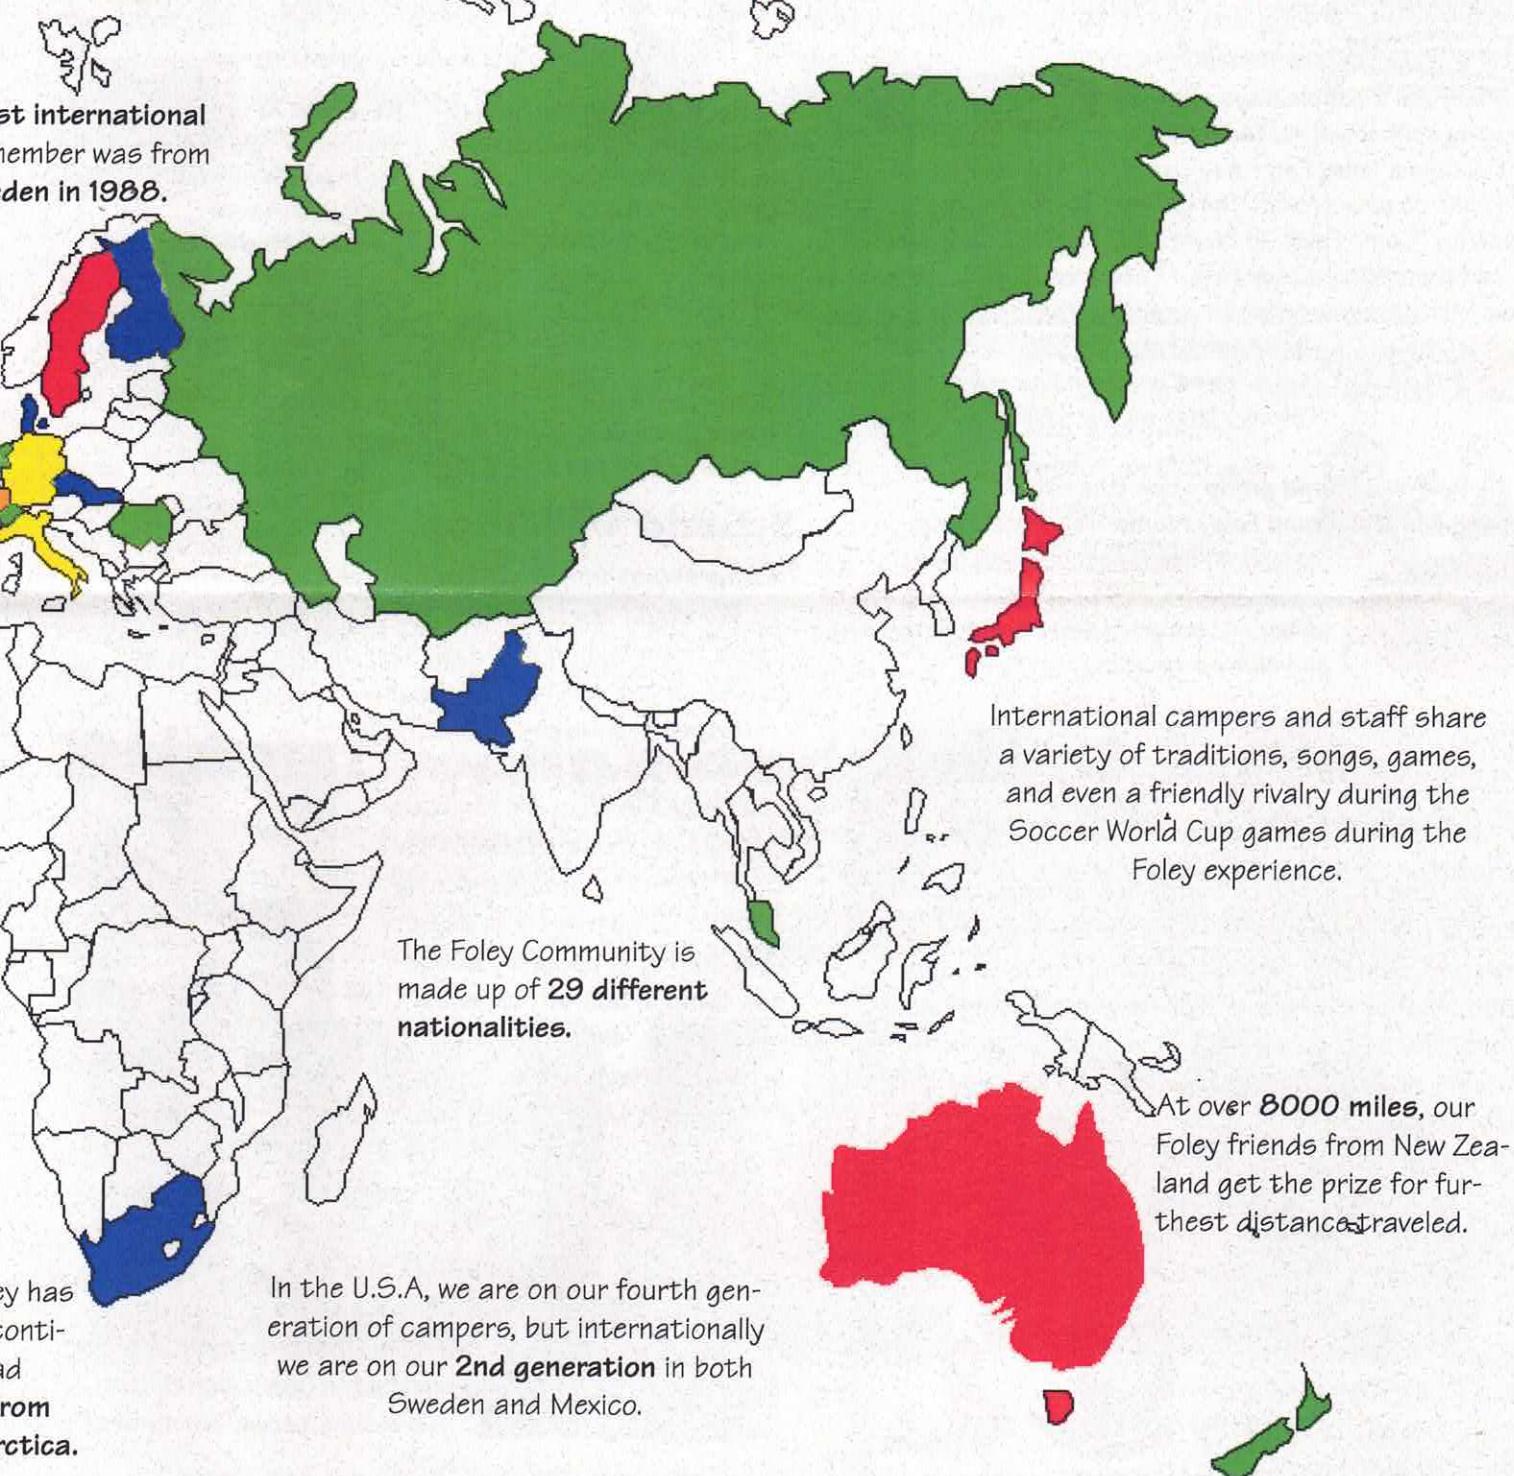

We hang flags in the dining hall for each country our campers and staff are from. This summer, Frank, our biking instructor, staff. Here are some interesting facts we found out.

## What do the colors mean?

(number of campers or staff)

Blue = 1 Green = 2 to 5 Yellow = 6 or 7 Red = 10 to 15

Orange = 25 to 50 Purple = 200 to 300 Light Blue = U.S.A

## Investing in the next Generation of Camp!

The tradition of camping and Foley has been around for 86 years! At Foley, we already have 2nd, 3rd, and even 4th generation campers attending camp. Kids love hearing stories of camp long ago. What type of food was eaten, campfires, activities offered, and friendships. Find a child who you can build Foley memories with! Do you have a child you babysit for? Or Grandkids who would enjoy Whitefish Lake? Maybe a college friend who has nieces or nephews? We are always welcome to visitors especially alumni, who stop by to reconnect. So stop by and relive some of your Foley memories and share the gift of Foley this holiday season.

## Pizza Parties!

There is no better way to get yourself reconnected with the camp magic as attending a Pizza Party/Video Showing. Bring your kids, grandkids, neighbors, nieces, nephews or anyone else that may have an interest in camp. We look forward to seeing you all there!

# Foley Tridictionary

Are you ever sitting around with your family, trying to remember what the traditional breakfast is on Sunday mornings? Or what the weird word that is used for the bathrooms? Well your answers are here! This summer, campers and staff took the time to write down all the traditions and words unique to Foley, in the **Foley Tridictionary**. Check out our website for the complete list. Here are a few highlights.

**Soda Bread:** the traditional breakfast served to campers on Sunday mornings. The nuns use to serve it

 on the days when they would be fasting. It is similar to a coffee cake.

**Bell:** A huge part of camp, the bell signals campers and staff for meals and emergencies. Two bells have been used in the history of Foley. The old bell is now used at the new slingshot range.

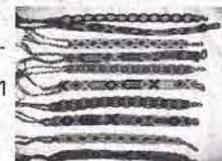

**Foley First:** A term used to describe those experiences which happen for the first time at Foley. These can range from activity accomplishments to seeing the stars.

**Washo:** The word used to describe the building which houses the restrooms, and showers. Three washos are located in camp: east, west, and mid-washo.

**Friendship Bracelets:** Small tokens of appreciation made and given out by campers and staff.

**Friendship Campfire:** a traditional campfire held two nights before the end of the session in boy and girl groups. At the campfire the anchor award is given out, and campers reflect on the camp session and friendships.

We want our Foley Tridictionary to reflect **ALL 86 years** of camping! After checking out the website you think we are still missing something let us know and we will add it! E-mail us at [fun@campfoley.com](mailto:fun@campfoley.com)

## Bridge Crossing and Hall of Fame

Besides our traditional activity awards and Anchor awards that were distributed to deserving campers, the Hall of Fame is another important achievement. To achieve this recognition, a person needs to spend 10 summers at Foley as a camper and/or counselor or combination of the two. Hall of Fame prospects also have to complete the Bridge Crossing 5 year essay entitled "What Camp Foley Means to Me" and complete a biography sheet describing their years at Foley.

and Claire Revord

Leslie Strobel, Jessie Garretson,  
and Kate Mogard
