Odds & Ends

Whitefish Lake Adventure: Weather permitting this adventure will take the group out on a pontoon boat ride on beautiful Whitefish Lake. *Everyone wears a lifejacket and Foley's boat driver is also a certified Lifeguard.*

Cost: Cost per program varies.

Adult Supervisors/Teachers: At a minimum we suggest a ratio of 1 adult to 8 students, or two adults per group. Teachers and Teacher Aids would be considered part of the adult ratio.

Transportation: Group is responsible for transportation. Bus can park in the parking lot to unload or drive in. Bus will need to back out. Adults driving to the Center should pull into the parking lot and walk in.

Clothing Suggestions: Tennis shoes and dress for the weather.
