Dear Camp Foley Parents,

February, 2019

Travel One is pleased to have been selected by Camp Foley to again assist with camp transportation. We have many years of experience working with camp and feel we can provide camp families with superior service, the lowest airfares and at the same time, provide valuable services to camp and parents.

SPECIAL FARES FOR CAMP FOLEY ON DELTA

Just as Travel One is camp's travel agency of preference, Delta Air Lines is camp's airline of preference.

Delta Air Lines has provided Camp Foley with discounted camp fares that should be cost competitive with any airfare offered for similar summer travel. These special fares are in the form of an up-front discount which will be applicable to the lowest Delta Air Lines fare available at time of booking. See the attached form for suggested flights and restrictions.

In addition to the special negotiated camp fares, Delta Air Lines assists with the luggage collection process upon arrival into Minneapolis and provides special assistance with luggage handling and check-in procedures on camp departure days. (Campers bypass normal Delta check-in procedures)

Delta and other airlines offer in some markets a \$20.00 - \$30.00pp lower fare. These lower fares have "no frills" – no changes or cancellations allowed and seat assignments are assigned at check in. **We do not recommend purchasing these fares.**

SOUTHWEST AIRLINES SERVICES MPL/ST.PAUL

Southwest now offers non-stop service between Mpls/St. Paul Hubert Humphrey Terminal #2 and many camp cities. Camp will also meet your camper at the gate if the arrival is at Hubert H Humphrey Terminal. Air fares are similar between Southwest and Delta but Southwest has a more attractive unaccompanied minor and luggage fee program. Keep in mind that Southwest will only allow unaccompanied minors on direct flights. **Travel One issues tickets on Southwest Airlines, as well as all other airlines.**

SUN COUNTRY AIRLINES

New for this year: Travel One has secured discounted camp fares on Sun Country Airlines. Sun Country has limited schedules but may be applicable for east and west coast campers.

TAXES, AIRPORT FEES AND TRAVEL AGENCY FEES

When Travel One quotes an airfare, it will include a nominal \$22.00 travel agency fee. If you choose to pay for your ticket via credit card, this \$22.00 agency fee may appear as a separate billing item. The camp family is also responsible for round-trip unaccompanied minor service fee, if applicable, and are payable at the airport at time of departure. Delta Air Lines (all major airlines) charges luggage fees of \$25.00 for the first checked bag and \$35.00 for the second checked bag each way of travel. Parents will need to pay the camp luggage fees on a round-trip basis at the airport upon departure.

UNACCOMPANIED MINOR INFORMATION

As a camp traveler you must check-in at the airline ticket counter in order to process the unaccompanied minor paper work, and should allow additional time for the airport check-in process, (a minimum of 120 minutes). A camp representative **will definitely** be at the gate in Minneapolis to meet your youngster. The latest information concerning unaccompanied minor travel is enclosed with this mailing. Travel One will mail along with your E-ticket receipt, three weeks prior to departure, any additional or updated information.

The Transportation Security Administration (TSA) now requires the traveler's full legal name and date of birth when making reservations.
