

DELTA AIRLINES UNACCOMPANIED MINOR UPDATE (AS OF JANUARY 1, 2016)

CAMPERS AGES 14 YEARS AND UNDER MUST TRAVEL AS UNACCOMPANIED MINORS OR BE ACCOMPANIED BY ANOTHER TRAVELER 18 YEARS OF AGE OR OLDER

Most airlines have strict rules concerning unaccompanied minors. Delta Air Lines requires passengers ages 14 and under, to be accompanied by another individual 18 years of age or older, or purchase unaccompanied minor services from that airline.

IMPORTANT: Delta will allow up to four children, both family and non-family members, to travel under the cost of one unaccompanied minor service, but only one parent/adult will be allowed to accompany all the children to the gate. The children **must check-in together both at the airport check-in counter and also at the gate. Travelers must all be listed on the same unaccompanied minor form. Campers must travel together in both directions.**

On the return flight, the adult or adults indicating responsibility for all of the children on the unaccompanied minor form **must be present at the airport to pick the children up.** If the specified adult is not present at the airport, Delta or other airlines will not release the children.

Three weeks prior to travel, Travel One will mail you the e-ticket receipt for your camper. This mailing will also include instructions on how to proceed with unaccompanied minor travel. This will allow you time to complete the steps prior to checking in at the airport for departure to camp.

The family should purchase this service on a **roundtrip basis**, unless the camper is only traveling one way. The cost is \$150.00 one way or \$300.00 round trip, for both non-stop and connecting flights. The service **must be purchased on a round trip basis**, unless your camper is traveling only one way.

Delta implemented new bar-coded wristbands that will be scanned at important points of the Unaccompanied Minor's journey. Scan events allows Delta to have added visibility to their minors location while traveling.

When checking in an unaccompanied minor, you will need a list of the following information so that a camp representative can meet your child at the gate.
